# Sponsorship Opportunities 2026

ASAP Conference 12<sup>th</sup> November 2026

# Why sponsor the 2026 Conference?

As a Sponsor for 2026, you'll benefit from enhanced, year-round visibility - from pre-event marketing and ASAP website presence to integrated, in-event brand experiences that go far beyond traditional exhibition space.

This year, we're taking a more creative, immersive approach to sponsorship - designed to maximise meaningful engagement and put your brand at the centre of the conversation.

Your support not only helps shape a standout Conference, it also positions your brand as a leader in the serviced accommodation sector.

**The earlier you secure your sponsorship, the greater your exposure – with extended pre-event promotion and more opportunities to be part of the build-up.**

All prices are for ASAP Operator, Agent or Supplier Members - non-members please contact [admin@theasap.org.uk](mailto:admin@theasap.org.uk) to discuss
