

Catholic Charities Connections

July 2025

A Quarterly Newsletter from Catholic Charities Diocese of Kalamazoo

We are God's hands providing housing, health, and hope to His children.

June 11, 2025 – an important milestone.

Catholic Family Services was established on this date in 1975, and later in 2012, became Catholic Charities Diocese of Kalamazoo.

We are thrilled and humbled to celebrate 50 years of service to the nine counties of Southwest Michigan.

With your continued support, we can continue to be a beacon of HOPE for the next 50 years.

Please join us on September 26, 2025 at St. Augustine Cathedral for a special mass honoring this milestone. Watch for additional details on our website and in future correspondence.

Meet Melissa Centofanti!

Thank you all for your generous support of Catholic Charities over the years. Because of your continued promotion of Catholic Charities, as well as the many donation drives and volunteer hours you have contributed, Catholic Charities is a thriving and vibrant agency.

As you can imagine, managing all that support takes time and a dedicated individual who is passionate about the work of the agency ... and believes spreadsheets are her friends! We are very fortunate that we have a volunteer who fits that role. Melissa Centofanti has graciously volunteered some of her precious free

time to help us coordinate with the parishes and the schools all the great work you all do for Catholic Charities.

In the coming weeks, Melissa will be reaching out to the parishes in the diocese. If you would like to contact her directly about a volunteer group activity or event, holding a donation drive, or anything else along those lines, her email address is melissacentofanti@ccdok.org.

Thank you again for your continued commitment to Catholic Charities!

Zhang Financial has agreed to continue their support of the Bread of Life food distribution program. They have renewed their commitment for another year at \$30,000. Thank you!
