

FY 2023 – 2024 Approved Budget

El Paso County ESD2 2023-2024 Budget Narrative

ESD2, like all taxing entities in the State of Texas, is responsible for preparing a budget to forecast the expenses for the following year. This will aid in setting the tax rate and assist with having a plan on how to spend tax dollars in the most prudent and efficient way.

ESD2's 2023-2024 budget is broken down as revenues and expenditures.

Revenues:

The El Paso County Emergency Services District #2 has adopted a tax rate of \$.086457/\$100 valuation. This will generate roughly \$4,991,738.00 in Property Tax.

ESD2 also collects a $\frac{1}{2}$ percent state sales tax. This yields roughly \$4,934,518 in Sale Tax.

Code Enforcement fees are anticipated to be \$250,559.80.

The total anticipated Revenue for ESD2 for Fiscal Year 2023-2024 is \$10,176,815.80.

Expenditures:

Long-Term Liability & Interest

\$2,062,994.74

This long-term debt is mostly used for acquisitions of real property (fire stations) and response vehicles. ESD2 does not issue Bond Debt, rather we use lease purchases. Usually, the terms are no more than fifteen years for real property and ten years for apparatus purchases.

*Please see "Lease Purchase Debt Schedule" under this article in Transparent Government - Financial and Tax Information for a complete list of all current lease purchase loans.

Expenses

ESD2 supports six volunteer fire departments, the Fire Marshal Division, twelve fire stations, one hundred forty-nine response/admin vehicles, and one hundred fifty-three volunteer firefighters.

ESD 2 currently has twenty-nine employees. Our District Administrator, seven Administrative Assistants, Fire Chief, Assistant Fire Chief, three Fire Marshals, Purchasing Supervisor, one Mechanic, one Facilities person, one Janitorial service, one Lube Tech, and eleven paid Firefighters.
