Chapter 08

Accountability

Each Department shall follow this County Wide Accountability plan to provide for increased firefighter safety during incidents. This will be accomplished using Passports and Personal Accountability Tags (PATs)

1.Passport System – Will Provide a system that accurately accounts for all the personnel operating within a hazard zone. The passport system involves the use of a plastic card with crew members' names affixed. This card is the crew's "passport" to allow entry into the various divisions at an incident.

2.Equipment:

Personnel Accountability Name Tags (PATs) - Each firefighter is issued four individual name tags. These shall be affixed to the underside of the helmet brim with Velcro. Individual name tags are color coded by rank and certifications. They will match the color of the helmet.

- a. Names on PATs will be Last name, First name, and then a unit number (U####)
- b. Unit numbers will be assigned to personnel using a 3-digit unit number. This number is unique to the entire county and will illustrate rank/certification by numbers used.
- c. The first of number of this three-digit set will designate what Fire Department the individual is from.

1 = YDSP (Tribal Fire)
2 = Clint
3 = Fabens
4 = Horizon
5 = Montana Vista
6 = San Elizario
7 = Socorro
8 = West Valley
9 = Fire Marshalls Division

- d. The next two digits indicate rank/status and are as follows:

1. 01-09 is a Chief Officer
2. 10-19 is a Captain
3. 20-29 is a Lieutenant
4. 30-59 is a Certified FF (red helmet)
5. 60-99 is a uncertified FF (yellow & Blue helmet)

e. (PAT) Examples:

- | | |
|------------------------|---------------------------------|
| 1. Dorgen, John U511 | = Captain from Montana Vista |
| 2. Santos, Jim U830 | = Certified FF from West Valley |
| 3. Taylor, Demi U201 | = Chief of Clint FD |
| 4. Vollins, Dusty U260 | = non certified FF from Clint |

- f. Passport Card(s) - Each response vehicle is issued two passport cards: 1 each white and blue. The white passport is the primary passport, and the blue passport is for back-up and large incidents. The passports are affixed to the dash on the passengers' side around the glove box area with Velcro. Make-up passports are to be kept on Chief's vehicles. (Such titles as Crews, RIC, blank cards etc)

1. Passport Cards will be labeled according to the type of unit and unique three-digit number
2. Chiefs County Wide have agreed to a common terminology for unit typing. These types are Pumpers, Rescues, Tankers, Brush Trucks, Chief Trucks, Utility Trucks, Quints, and Ladders (A Ladder truck will not have a pump).
3. The first digit after the type will designate what department the vehicle is from.

1 = YDSP (Tribal Fire)

2 = Clint

3 = Fabens

4 = Horizon

5 = Montana Vista

6 = San Elizario

7 = Socorro

8 = West Valley

9 = Fire Marshalls Division

4. The last two digits will distinguish the number sequence per type, per Fire Department. Examples

P701	= Socorro's Pumper 1
P702	= Socorro's Pumper 2
C501	= Montana Vista Chief 1
R402	= Horizon Rescue 2
R512	= Montana Vista Rescue 12
FM901	= ESD 2 Fire Marshal
Q801	=West Valley Quint 1
R701	=Socorro's Rescue 1
P101	=YDSP (Tribal Fire) Pumper 1

5. Crew Passports. Each Department will request at least 10 sets of blue and white passports for use when additional crew assignments are made on scene.

Example: CREW 701, through CREW 710 (Socorro's 10 Crew passports)
 CREW 801, through CREW 810 (West Valley's 10 Crew passports)
 CREW 201, Through CREW 210 (Clint's 10 Crew passports)

6. Passport Use Procedure

- a. Member Responsibility – Personnel shall place one of their PATs on each of the response vehicle's passports when assigned to that vehicle.
- b. The incident commander shall have the option of leaving the passports in place on the vehicles or collecting and assembling them at the command post during larger incidents. The Incident Commander shall retain responsibility for accountability.
- c. During larger incidents, the white passport shall be given to the Incident command, and the blue one will be kept by the Officer or Acting Officer of that crew. The passport will be given to the Division Officer while the crew is assigned to them, and once the crew leaves the Division Officers control it will be given back to the Crew Officer or Acting Officer. The Crew Officer or Acting Officer will continue to deliver the Passport to every place his Crew gets assigned until the incident is terminated.
- d. Passports, and PAT Tags can be ordered online at <http://www.imsalliance.com> or at a location of your choice.

- III. A close-up photograph of damage done to each vehicle.
- IV. A photograph showing the overall damage of each vehicle.

Legal Matters

1. Under no circumstances should any District Employee involved in an accident of whatever nature pay property damages to the adverse claimant until such time as the matter has been brought to the attention of the ESD#2 District Attorney. Employees are not to discuss the claim with claimant or to take any other action on their own until it has been discussed with the Attorney.
2. Notify the ESD#2 District Attorney of all traffic accidents involving serious bodily injury or death which, in the opinion of the investigating officer, was caused by the negligence of a district employee. The term "serious bodily injury" is hereby defined as: bodily injury that creates a substantial risk of death or that causes death, serious permanent disfigurement, or protracted loss or impairment of the function of any bodily member or organ.
3. Traffic accidents involving property damage only or very minor injuries do not require the notification of the ESD #2 District Attorney.

3. Fuel Cards

1. A fuel card will be assigned to each vehicle by the department.
2. A fuel log will be maintained for every fuel purchase showing the following: Odometer reading, date, gallons. This fuel log will be kept on the vehicle in a three-ring binder or other easily identifiable location.

4. Maintenance

1. All District owned vehicles will receive proper care and preventative maintenance per the yearly contract for service.

5. Disposal of District owned vehicles shall be determined by E.S.D #2 Fire Chief.

Replacement and Disposal Policy

Replacement Goals

The following guidelines provide minimum goals for routine vehicle replacement. Attainment of these goals should minimize fleet capital and operating costs.

General Vehicle Goals

In general, passenger vehicles should be replaced when they reach 10 years (120 months) of service or 100,000 miles, whichever comes first. There may be circumstances in which vehicles may be replaced sooner (such as excessive maintenance or repair costs) or retained longer (such as unusually low maintenance costs). The district office will provide feedback when replacing the fleet. The district may or may not replace all the vehicles the departments have on a one for one basis.

Exceptions:

- 1) The district may allow vehicles to be used up to 150,000 miles or 10 years of service, whichever comes first, if the vehicle is for clerical use and not for first response. Each department may be allowed to have 1 clerical use vehicle.
- 2) The district may allow for a vehicle to be kept longer than the 10-year mark, if the vehicle has a sole purpose, i.e. Fuel truck, a water rescue truck, maintenance truck. These vehicles will be replaced or disposed of if the cost to repair them is excessive.

Take – Home Vehicles

Limitations for Use of District Vehicles by Official Personnel

The El Paso County ESD #2 recognizes that take home vehicles significantly improve response time in event of an emergency. Official Personnel may be authorized by the Contracted Fire Department to take District owned vehicles home/work and use such vehicles in accordance with established guidelines and limitations. This policy provides guidelines for personnel who are assigned take-home District vehicles.

I. Assignment and Use of District owned Vehicles by Official Personnel

- A. The Contracted Fire Department may authorize full time members with their department to take a District-owned vehicle home/work based on availability of vehicles and/or mission requirements.
- B. Operation of vehicles shall be restricted to District personnel who are insured to operate them and possess a valid driver license.
- C. District personnel and members shall be in uniform and ready to respond with credentials whenever operating a District vehicle. Exception is to and from work. In this case a vest, light jacket, or reflective vest with the Fire Department identifying logo will be kept in the vehicle for quick donning.
- D. Department personnel are required to have the radio turned on while operating a District owned vehicle, and to take action in all instances where there is a legal duty to act. The level of action shall be dictated by an assessment of the totality of the circumstances to include but not limited to:
 - 1. Type of call
 - 2. Risk to the public if immediate action is not taken.
 - 3. Risk to any innocent third person including passengers in the district vehicle.
 - 4. If in another jurisdiction, availability, and proximity of that jurisdictions fire/medical personnel.
- E. Department personnel and their passengers shall wear proper attire and conduct themselves in a manner which reflects positively on the district.

- F. Vehicles shall not be operated when alcoholic beverages will be consumed or possessed by any operator or passenger.
- G. Vehicles shall not be driven to or from liquor establishments to purchase or consume alcoholic beverages.
- H. Vehicles shall not be taken to any adult oriented business or other location that could reflect unfavorably on the district except on official business.
- I. Vehicles shall not be operated in any manner that could reflect unfavorably on the district.
- J. Unmarked vehicles shall not be used.
- K. Vehicles shall not be operated outside of District jurisdiction except by personnel on official business or as authorized.
- L. Vehicles will only be assigned to members living within 10 miles of the response district of issuing Department.
- M. A fuel card will be assigned to and kept in each take home vehicle.
- N. A fuel log will be maintained for all take home vehicles. (see Forms chapter)
- O. Children that require a state mandated car seat or booster seat are not allowed on District vehicles unless it is on official business. (ie. Giving a stranded motorist a ride to the nearest safe location.)

II. Parking

- A. The vehicle shall be locked and secured when parked.

III. Vehicle Maintenance

- A. Each member and employee assigned a take-home vehicle is responsible for its clean and proper appearance and shall notify proper district personnel when vehicle is due for preventative maintenance.
 - 1. Response vehicles are expected to have a full tank of fuel.
 - 2. Members shall wash the vehicle at their own expense and wax it at least once every six months.
 - 3. Members shall change their own flat tires.
 - 4. Employees and members shall schedule and have preventative maintenance preformed on all district vehicles.
- B. Members shall not
 - 1. Perform mechanical work or have unauthorized mechanical work performed on the vehicle.
 - 2. Alter the body, general design, appearance, markings, or mechanical or electrical systems.
 - 3. Add accessories or equipment without the E.S.D. #2 Fire Chief's approval.

IV. Vehicle Security

- A. Member will remove all gear and handheld radios from the assigned vehicle when the vehicle is left at the Service Center.
- B. Member shall secure the District-issued vehicle when left unattended or when the vehicle is out of sight or immediate control.

V. Previous Procedures

- A. This S.O.G. supersedes any other S.O.P, Memo, G.O., or rules on Take home vehicles.
- B. This S.O.G. shall build upon Chapter 11 District Owned Vehicles.

Chapter 13

P.O.V.

1. Contracted Fire Departments are permitted to authorize personnel to equip POV (privately owned vehicles) to be used as authorized emergency vehicles, however, this practice is strongly discouraged.
2. The vehicles must be equipped with the following minimum equipment: *(none of this will be provided by the district)*
 - a. Light bar emitting light 360 degrees
 - b. 100-watt siren
 - c. Mobile Radio
 - d. Name of department displayed on the rear of the vehicle in one-inch letters with contrasting colors
3. The vehicle must not be more than 15 years of age and must display a neat and professional appearance.
4. POV responders will not be slick tops.
5. POV owners are to maintain financial liability insurance specifically for this use. Contact your personal insurance carrier for this coverage information.
6. The E.S.D. #2 nor the Contracted Fire Departments will be liable for any damages sustained to or caused by POVs being used in emergency response mode.

Alcohol and Drug Testing

1. Person(s) applying for employment and membership to a department or E.S.D.#2 shall be drug tested prior to being accepted by the Contracted Fire Department.
2. E.S.D. #2 Fire Chief and Volunteer Fire Chiefs may call for a 100% drug and alcohol test of all members when he/she deems necessary.
3. Any member and district employee who is involved in any accident that requires a report will be taken to a local medical facility for a drug and alcohol test:

Post-Accident: If a member or employee's action or inaction either contributed to an accident or cannot be completely discounted as a contributing factor to the accident, the member or employee will be tested. The decision not to administer a test post-accident must be based on a determination, using the best information available at the time of the determination, that the member or employee's performance could not have contributed to the accident.

Reasonable Cause: The Company may ask a member or employee to submit to an alcohol and drug test at any time it appears that the member or employee may be under the influence of drugs or alcohol, including, but not limited to, the following circumstances: evidence of drugs, alcohol or drug paraphernalia on or about the member or employee's person or in the member or employee's vicinity, or unusual conduct on the member or employee's part that suggests impairment or influence of drugs or alcohol, including negative performance patterns or excessive and unexplained absenteeism or tardiness. A determination of reasonable cause must be based on a reasonable and articulable belief that the member or employee is using alcohol or drugs on the basis of specific contemporaneous physical, behavioral, or performance indicators of probable use, such as observations regarding productivity, work habits, behavior, or attitude, or of speech, odor or appearance of an employee sufficient to lead a prudent person to suspect that the employee may be under the influence of alcohol or drugs.

4. Incidents that require alcohol and drug testing are as follows:
 - a. Traffic accident involving a district vehicle.
 - b. Any injury that requires a workers' compensation first report of injury.
 - c. Any act which causes another person's injury, requiring either transport to a medical facility, or another employee first report of injury to be filed.

District Property Book

INVENTORY POLICY AND PROCEDURE *(Approved January 19, 2021)*

The Inventory Policy establishes a process for the recording, identification, and accountability of all El Paso County E.S.D. #2 owned furnishings and movable equipment items (Equipment) having a minimum cost of \$200 each and a life expectancy of over two years. The E.S.D. #2 Fire Chief shall appoint a Purchasing Manager whose responsibility shall be to maintain a system of equipment control to provide a safeguard against loss and to facilitate effective utilization for record keeping. The Property Manager shall answer the Chief.

The El Paso County E.S.D. #2 shall utilize an appropriate property and equipment control system to meet the need for detailed information as to particular identification of the property or equipment and the costs, the depreciation, the assignment, and the location of the equipment. The Property Manager, or an appointed designee, who is not responsible for the day-to-day custody of equipment, shall conduct the annual Inventory of all equipment assigned to each divisional/unit location. The responsibility for equipment accountability is assigned to the appropriate division/unit head. This policy requires:

- a) All items of equipment to be brought under control shall be identified by a serial number affixed to each item.
- b) Equipment control records shall be maintained for each item of equipment identified by a serial number.
- c) Periodic physical inventories, at least once annually, shall be taken of all items of equipment placed under serial number control.
- d) Equipment utilization controls shall be maintained for significant items, whether they are in the form of daily usage records or simple periodic observations, to provide a safeguard against loss and to facilitate effective utilization.
- e) No item of equipment should be permitted to leave the premises without a pass signed by the proper authority.
- f) Unit heads shall be administratively responsible for the equipment assigned to the unit. The equipment assigned should not be permanently transferred without the written approval of this individual and the Property Manager.

Procedure

1) What is to be included in the property and equipment inventory?

To be included in the Inventory, an item must meet the following criteria:

- a) El Paso County ESD #2 property, including gifts to ESD2.

b) Include items of furniture, electronic equipment, machinery, vehicles and apparatus which may be used repeatedly without any material impairment of physical condition, and which have a probable life of more than two years.

c) Include items El Paso County ESD #2 is leasing or renting if the lease is applied towards the purchase of the item and is determined to be a capital lease.

The following do not meet the above criteria – do not include them:

a) Items furnished by a grant or contract for which El Paso County ESD #2 does not hold title.

b) Personally, owned items.

c) Draperies and other expendable items.

d) Items permanently attached to buildings. Examples of items would be laboratory benches with service connections, fume hoods, light fixtures, built-in cabinets, permanently installed heating and cooling apparatus and carpeting.

Generally, all equipment purchased must be placed under control. However, different levels of equipment control can be established. For the larger, more cumbersome equipment, such as desks and file cabinets, the item should be identified with a tag showing that it belongs to the facility. The records may show the total number of items in particular units. For the more sensitive items, such as those susceptible to theft, tags with individual serial numbers should be affixed to the equipment and detailed records should be maintained.

2) Receipt of New Equipment:

a) When received by ESD2, the Receiving Office shall verify that the item description is identical to the item as described on the purchase order issued to the supplier, tag the equipment, and arrange for the equipment to be delivered to the location requested. Or Policies & Procedures

b) The Receiving Office shall contact the requesting unit to verify that the item meets the specification of the purchase order issued to the supplier before tagging the item. Once verified by the requesting unit, the Receiving Office will tag the equipment and arrange for the equipment to be delivered to the location.

c) The following information must be entered in the WASP inventory system:

Description

Serial or manufacturer identification number

Original cost

Purchase order number (if applicable)

Acquisition date

Disposition date

1. All departments will provide the District with a property book inventory of all District assets maintained by the department.
2. All items purchased with a single value of \$5,000.00 (five thousand dollars) or more must be accounted for on a department property book.
3. The following items will be listed regardless of value:
 - a. Handheld Radios
 - b. Vehicle mounted radios
 - c. Base station radios
 - d. SCBA's
 - e. Computers
4. All vehicles will be listed.
5. Items valued at less than \$5,000.00 (five thousand dollars) containing a unique serial number may be added to the property at the Chief Officer's discretion.
6. Disposable items will not be entered into the property book.
7. The property book must contain, but is not limited to the following:
 - a. Item description

b. Manufacturer's name

c. Serial number

d. Location of item

e. Cost of item

8. A current copy of the Department's Property Book will be provided to the ESD Board at the first scheduled District Meeting of each year.

Facility Use Policy

REASON FOR THE POLICY (Approved October 16, 2023)

The following policy governs the use of El Paso County E.S.D.#2 (E.S.D.#2) Facilities, also known as fire stations and non-fire station spaces, for both El Paso County E.S.D.#2 and non-El Paso County E.S.D.#2 affiliates. This policy sets priorities for El Paso County E.S.D.#2 Facility usage and establishes authority for determining scheduling procedures.

SCOPE AND AUDIENCE

This policy applies to El Paso County E.S.D.#2 and non-E.S.D.#2 affiliates including E.S.D.#2 staff, members, contracted fire departments, and visitors who use El Paso County E.S.D.#2 facilities.

POLICY STATEMENT

Priority for the use of ESD#2 facilities will be given to activities that advance the mission and purpose of the E.S.D.#2 to the greatest degree. To the extent that resources are available, the E.S.D.#2 also serves the larger community by permitting non-E.S.D.#2 affiliates to utilize its facilities for purposes compatible with the E.S.D.#2 mission. These requests will not be given priority over E.S.D.#2 operations, classes, activities, programs, or meetings. The non-E.S.D.#2 affiliates and the event purpose should not contradict the El Paso County E.S.D.#2 mission and vision.

The El Paso County E.S.D.#2 will provide guidance, and oversight to the types and times of E.S.D.#2 facility use and E.S.D.#2 resources, such as, technology equipment and Fire Trucks or any equipment owned by the district.

Responsibility

The Approving Authority will receive all requests via written correspondence, as a matter of record. These requests will be vetted through appropriate leadership (Station Chiefs, Training Division, Logistics, etc.) to ensure that there are no conflicts of interest or scheduling challenges.

Exceptions to this policy include use of district property for fire training by departments contracted by the district. I.e., fire prevention, career day, or use of a facility for the success of our volunteers and staff.

SCHEDULING PRIORITIES

When considering reservation requests, the E.S.D.#2 will follow the following list of priorities for facility use:

1. Fire courses scheduled by the Departments and the E.S.D.#2.
2. El Paso County E.S.D.#2 Events.

3. E.S.D.#2 Events that are created or developed for the sole benefit of their members, and/or staff.
4. El Paso County E.S.D.#2 events that are primarily open to members and staff but may also be open to the public or non-E.S.D.#2 guests.
5. The program, meeting, or event is an initiative of a private company, a non-profit organization, or an individual. The audience consists primarily of guests external to E.S.D. #2.

DEFINITIONS

Authority

The Approving Authority is the El Paso County E.S.D.#2 Fire Chief or designee(s). The designee is an Assistant Chief level administrator who has event scheduling and planning authority at the E.S.D.#2.

E.S.D.#2 Affiliate(s)

Any Governmental Entity within El Paso County E.S.D.#2 Jurisdiction.

Non-E.S.D.#2 Affiliate(s)

All requests to use facilities by a non-E.S.D.#2 affiliate must be submitted to the E.S.D.#2 Approving Authority. Non-E.S.D.#2 affiliate's events will not be approved to occur on an official E.S.D.#2 holiday, except in an extraordinary circumstance, as determined by the Approving Authority. Non-E.S.D.#2 affiliates must comply with the E.S.D.#2 Policies and Procedures.

APPROVALS & RESERVATIONS

Priority for reservations will follow the criteria set under Scheduling Priorities.

Chapter 26

Equipment Standardization

The District reserves the right to standardize all its equipment and its property to meet the needs of the community and its budget.

- I. The District will standardize all medical equipment to match throughout the District.

Chapter 26

Stipend Policy

Stipend Policy

PURPOSE:

To establish a Volunteer Incentive Program ("VIP"), with the payment of expenses, reasonable benefits, and/or a nominal fee, for VOLUNTEER service to the Volunteer Fire Department

('EL Paso County ESD 2'), which is a private, not-profit corporation and not a "public agency."

To establish an adequate and consistent level of volunteer service during workdays and promote and reward positive behaviors of volunteer members participating in El Paso County ESD 2 operations.

To establish a consistent and adequate level of volunteer staffing during normal operating times and reward trained and competent individuals for participation in duty shifts and other assignments.

This policy is not a contract of employment or a right to continue to serve as a volunteer of EL Paso County ESD 2. Volunteer benefits do not make a volunteer an employee of either Clint Fire Department, Fabens Fire Department, Montana Vista Fire Department, San Elizario Fire Department, Socorro fire Department, West Valley Fire Department or the El Paso County Emergency Services District No. 2, a political subdivision of the State of Texas ("District"), and the affected individual's status as a volunteer under any applicable law, rule, or regulation is not changed by the provision of these nominal benefits. Section 3(e)(4)(A) of the Fair Labor Standards Act, 29 C.F.R. 553.101, 553.103, and other applicable state and federal laws, rules, and regulations, state that individuals are not employees, but volunteers, of an entity or public agency when they meet the following criteria:

1. Perform hours of service for civic, charitable, or humanitarian reasons without promise, expectation, or receipt of compensation for the voluntary services rendered; said volunteers receive no compensation or are paid expenses, reasonable benefits, or a nominal fee to perform such voluntary services, except as provided by 29 C.F.R. 553.106;
2. Offer their services freely and without any pressure or coercion, direct or implied, from an employer; and,
3. Are not employed by the same entity or public agency to perform the same services as those for which they propose to volunteer.

29 C.F.R. 553.106(a) states "volunteers may be paid expenses, reasonable benefits, a nominal fee, or any combination thereof for their service without losing their status as volunteers." Some examples of permitted compensation include:

1. Payment of the volunteer's tuition to a firefighting course;
2. Reimbursement of expenses incidental to fire protection training;
3. An annual party given to recognize volunteers;
4. Uniforms and equipment furnished free of charge;

5. Retirement or relief fund, worker's compensation, or other insurance inclusion of the volunteer;
6. A "nominal sum."

Any benefits or nominal sums provided hereunder DO NOT constitute compensation or are they tied to productivity. All volunteers participating under this program are not "suffered to work," and shall freely choose their times and status of providing volunteer services to the El Paso County ESD 2 based on available times and schedules of the volunteer and their designated fire station.

This program is designed to promote and reward positive behaviors of individual members participating in Department operations and promote the Mission Statements of the Corporation and Emergency Services District. At no time will any funds paid to the volunteer exceed 20 percent of what the El Paso County ESD 2 pays and employed starting firefighter and ever exceed \$7,000.00 in any fiscal year.

QUALIFICATIONS:

Members are eligible if they are:

- NOT employed by the El Paso County ESD 2;
- 18 years of age;
- Active volunteer of the Clint Fire Department, Fabens Fire Department, Montana Vista Fire Department, San Elizario Fire Department, Socorro fire Department, West Valley Fire Department, or El Paso County ESD 2 as defined by the current Standard Operating Guidelines, bylaws, or other relevant instrument of the El Paso County ESD 2;
- Members in Good standing as determined by the Board of Directors, Standard Operating Guidelines, Bylaws, or other relevant instruments of the El Paso County ESD 2;
- Be approved by the Department Fire Chief;
- Abide by all El Paso County ESD 2 rules and regulations;
- Certified by designated fire station or El Paso County ESD 2 as a firefighter and/or EMS pre-hospital emergency care provider;
- Abide by the participation requirements; and,
 - Have completed all necessary forms and training required by their designated fire station or El Paso County ESD 2.

In addition to the above-noted qualifications, any participating volunteer must be:

- Cleared to drive by their designated fire station or El Paso County ESD 2 apparatus (Class B license required-unless another volunteer who is confirmed to be volunteering for the same shift);
 - Appropriately certified by the designated fire station or El Paso County ESD 2, Texas Commission on Fire Protection, the Texas State Firefighter's and Fire Marshals' Association of Texas, and/or the Texas Department of State Health Services as a pre-hospital emergency medical service provider;
