Academy Shanklin

Dear St Blasius Families,

What an exciting start to the term we're experiencing! I'm delighted to share some wonderful updates happening across our school community.

Our Worship this week, children learned that God's dream is for us to know Him, to love Him and to serve Him by sharing His love with others. To share an understanding that this is what we are made for; without God we are missing a foundational element of what it means to live life to the full. The Scripture Luke 14:25-33 was shared with the children to help support this

We've welcomed our new reception children who are now attending full-time, and it's been wonderful seeing them settle into school life. To our new families joining us - a warm welcome to St Blasius Academy! Our Year 3 children have begun their swimming sessions, which are always an important part of their physical education journey. Meanwhile, our Year 6 children have been proactively working on improving our playground zones, demonstrating fantastic leadership and problem-solving skills.

We welcomed our Year 6 parents in to have lunch with their children today; it was lovely to hear our hall brimming with chatter! We will be extending these to other year groups in the coming weeks. It's a wonderful opportunity for us to connect and share experiences. Please look at the important dates to know when it is child's classes turn.

We were recently honoured to host a Shanklin Town Councillor who visited our Years 5 and 6 children to discuss an exciting community art project - so do watch this space for more details about this collaborative initiative!

A gentle reminder to all families: please ensure children bring a coat as we move into the autumn season. Lastly, a quick note about role application forms - these need to be submitted by the 19th, so please ensure you complete these promptly and we look forward to hearing our pupil voice - a strong part of our ethos at St Blasius.

The big question last week was:

What is your big dream?

I would like to ride a horse. **Minnie, EYFS.**

To be a soldier for the King. **Charlie, Year 1**

To be a bus driver because I love buses. **Caspian, Year 2**

To be the best goalkeeper in the World. **Finn, Year 3.**

My dream is to be a teacher. **Summer, Year 4.**

To be a vet and help animals. **Lacey, Year 5.**

To be an Olympic runner. **Millie, Year 6**

The big question this week is:

Can something sad ever lead to something good?

Warmest regards

Jemma Powell Assistant Principal

Class Attendance

Congratulations to **Year R** for
having the highest class
attendance this week.

Year R = 99.26%

Year 2 = 96.79%

Year 5 = 95.38%

Year 1 = 95%

Year 4 = 94.57%

Year 3 = 92.59%

Year 6 = 91.67%

Our Amazing Year 5

We started our year reading Barnabus by the Fan Brothers. The children then designed their own 'failed' pets and drew pictures of Banabus and Stick 1. We then developed our ideas further and turned them into clay sculptures.

Tag Rugby

The children commenced their first lesson on Tag Rugby and were fantastic at drawing on their prior learning and ready to build upon this further. They worked in pairs and teams of four and six, practising passing the ball, communicating within their group and reminding themselves of the basic rules of the game.

Collaboration with Shanklin Town Council

Finally, we have been asked to work in collaboration with Year 6 to produce a piece of Art for the board in Station Avenue. This is an exciting opportunity for us as our work will be able to be seen for many years. Two members of the council came to talk to us about this and one was even an ex-pupil!

MHST Newsletter

iwont.mhst@nhs.net ~ 0300 365 4010

MHST Update:

- This academic year has been challenging for a lot of schools; their staff, students and community. We hold admiration and respect for how well the school community have all supported each other.
- We have onboarded the majority of the mainstream schools on the island and look forward to supporting more students with their mental health and wellbeing.
- We have been busy working with schools to develop an action plan which will help guide and inform us as to what needs to be delivered, in the next academic year, to support each school's individual needs.
- In a number of our primary schools, we have been piloting parent-led workshops focusing on 'Supporting your Child to Manage Anxiety' and 'Promoting Positive Behaviour' which aim to share techniques with parents and carers so they can help support their child.
- A reminder that we are holding a year 6 transition workshop during the summer holidays. This is for those who are worried about the move from primary to secondary school/college. If you are interested in this workshop, please speak to your school's Designated Mental Health Lead who can help you with the process.
- We are also holding intensive workshops during the start of the summer holidays which will focus on managing emotions or managing anxiety. There is also a Managing Emotions workshop that is targeted support for neurodivergent young people and those with traits consistent with neurodivergence. These workshops are for 12-16 year olds. If you are interested in this workshop, please speak to your school's Designated Mental Health Lead who can help you with the process.

From April 2024 - March 2025, we received 415 referrals for 1:1/groupwork.

From April 2024 - March 2025, we saw 7392 students through our 'Whole School Approach' function.

From April 2024 - March 2025, 321 assessments and 1582 treatment sessions were attended.

Our team have recently undertaken 'Motivational Interviewing' training to help support their clinical practice.

The Mental Health Support Team is closed on Monday 25th August where it is a bank holiday.

The Mental Health Support Team is a collaboration between the Isle of Wight NHS Trust, Barnardos and the Isle of Wight Youth Trust.

We are an Operation Encompass School

For further information, please come and see us.

Operation Encompass is a national scheme that operates jointly between schools and all police forces.

Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience.

Children who experience domestic abuse are recognised as victims of domestic abuse in their own right¹.

We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care.

Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident.

This information means that we can understand a child's behaviour and support that child in whatever way they may need or want.

We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this.

From August 2024, the fine for school absences across the country are £80 if paid within 21 days, or £160 if paid within 28 days. This rate is in line with inflation and is the first increase since 2012.

In the case of repeated fines, if a parent receives a second fine for the same child within any three-year period, this will be charged at the higher rate of £160.

Fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action like a parenting order or prosecution will be considered.
