

Klip Slim Multi-Head Universal charger 65 W PD charging 2 devices simultaneously

This ultra-slim charger features a compact design, making it ideal for travel. It can charge up to 2 devices simultaneously and includes two ports: USB-A and USB-C. The universal charger comes with interchangeable plugs for use in the USA, UK, and Europe. Thanks to Power Delivery (PD) technology on the USB-C port, it enables fast charging of smartphones, tablets, audio devices, and more. Featuring an incredibly small size using the latest GaN technology.
