

Link XL Cable

USB-C Braided Cable

100W 250cm

This extra-long USB-C braided cable is designed for maximum convenience and freedom of use. With a length of 250 cm, it is ideal for distant power outlets, making it perfect for use in hotels, at home, or while traveling. Engineered for travel comfort, the cable supports ultra-fast charging up to 100W, ensuring efficient power delivery for a wide range of compatible devices. The aluminium metal connectors provide enhanced strength and durability, while the reinforced strain relief design improves flexibility and protects the cable from daily wear and tear. Built with strong braided material, this cable is reinforced to ensure long-lasting performance and reliability. It supports both charging and data synchronization, making it a versatile solution for everyday use.
