

Link Roll Pro Retractable Cable 100W 100cm

This retractable USB-C cable is designed for maximum convenience and portability, making it ideal for travel and everyday use. With an extendable length of up to 100 cm, it can be easily adjusted to your needs. The pull-to-extend mechanism allows the cable to retract smoothly in seconds, keeping it tangle-free and easy to store. Engineered for high performance, it supports power output up to 100W, making it suitable for charging smartphones, tablets, and even laptops. Built for reliability, the cable supports both charging and data synchronization, offering a practical and efficient solution for modern devices.
