

## Link Data Block Pro Braided Cable 60W 150cm

This USB-C braided cable is designed to ensure safe charging while protecting your data, making it ideal for use in public spaces and while traveling. Featuring an integrated data blocker, it prevents data transfer and protects your devices from unauthorized access or hacking attempts, allowing you to charge safely at all times. With a length of 150 cm, it offers flexibility and convenience for everyday use. The cable supports USB-C charging up to 60W, ensuring efficient power delivery for a wide range of compatible devices. Built with strong braided material, it guarantees durability and long-lasting performance. Designed for charging-only use, it provides a secure and reliable solution when data protection is essential.
