

## Reload 10 Power Bank

### Mini 10K USB-C-in+USB-C PD30W

The Reload 10 Power Bank is a compact and high-performance portable charger designed for reliable power on the go. It features a built-in USB-C cable with 30W PD fast charging, ensuring quick and convenient charging without the need for extra cables. With a 10000 mAh capacity, it provides extended battery life for smartphones, tablets, and other USB-C devices. The power bank also supports USB-C input and output up to 30W, offering efficient two-way charging. Its pocket-size design makes it easy to carry, while the LCD display clearly indicates the remaining battery level for precise power management.

#### Product Category

- Tech / Power Bank
