

Reload 5 Pro Mag Power Bank

Mag 5K 2xUSB-C stand+LCD
PD20W 15W Qi2

The Reload Mag Pro 5 Magnetic Power Bank is a compact and versatile charging solution designed for travel and everyday use. It is MagSafe compatible and supports Qi2 wireless fast charging up to 15W, ensuring secure magnetic attachment and efficient wireless power delivery. With a 5000 mAh capacity, it provides reliable backup energy for smartphones and wireless devices, including earbuds. The device features dual USB-C ports (input/output) for flexible wired charging options. Its slim design includes an integrated stand function for convenient hands-free use, while the LCD display offers a clear view of the remaining battery level for precise power management.
