

AirPouch Hydro Case

Floating Phone Case Up 6.7

IPX8 up to 20m

The Air Pouch Hydro Phone Case is a universal and waterproof solution designed to protect your smartphone in and around water. With an IPX8 rating, it offers reliable waterproof protection for up to 3 meters for up to 90 minutes. Its floating design helps keep your device safe and visible on the water surface, while the crystal-clear window allows you to take photos and videos underwater without compromising quality. The case supports responsive touch use, making it easy to operate your phone while sealed inside. Compatible with devices up to 6.7 inches (max. 260 g), it includes a detachable neck and wrist strap for secure and convenient carrying.
