

TAKE A DEEPER DIVE INTO THE SCIENCE OF NATURAL HEALTH

Learn how to support the body at the cellular level—naturally.

DR SHERYL DUCHESS

**CERTIFIED NATUROPATHIC DOCTOR
27+ YEARS EXPERIENCE**

DR STAN PIERCE

**CHIROPRACTOR,
RESEARCHER, INVENTOR
& PUBLISHER**

Join Dr. Sheryl Duchess, N.D. & Dr. Stan Pierce, D.C. for an in-depth training on advanced nutraceutical science—designed to help you better understand your body, support optimal function, and take control of your health.

IN THIS POWERFUL SESSION, YOU'LL DISCOVER:

- Why so many people still struggle with energy, digestion, and overall wellness
- How nutrient depletion impacts every system in the body
- The science behind targeted nutraceutical support
- What to use—and how to support your body more effectively

June 20, 2026

10:00 AM - 3:00 PM

Marriott St. Pete / Clearwater

12600 Roosevelt Blvd N

St. Pete, FL 33716
