
Weatherly Association Meeting

Tuesday, 5.19.2026

Attendees

Board Members

Mike Myers
Dan Jarnigan
Kelly Preveaux
Charles Simpson
Mark Smith

Guests

Maurice Mercer
Colleen Hogwood
Lisa Glasgow

Agenda

- Kelly called the meeting to order and presented the April minutes for approval. The minutes from April were approved.
 - Manager's Report: There were 50 violation notices sent out. Most were for lawn maintenance. There were 5 closings for the month and the clubhouse had 4 rentals. The pool passed inspection and opened as planned. American Leak Detection found that the jets were leaking and puttied around them to stop the leak.
Rob did have to call the police about a large group of kids that were not residents and were making other people at the pool uncomfortable. Rob says he will be keeping a close eye on the pool. The pool deck has been repainted as planned.
 - Treasurer's Report: The water is over budget but will hopefully come back within expectations now that the leak has been addressed. Rob has contacted Alabaster Water about waiving the sewer charge for the pool.
 - The annual meeting will be June 16th at 7:00 PM
 - City Update: The excavation for the Quick Trip is coming along and the city concert series is going well with good participation.
 - Meeting adjourned.
