

Mrs. Barninger's

## Supply List for 8<sup>th</sup> Grade Pre-Algebra

\*\* Must have a **pocket Folder** with brads- this will be used for NOTES. I will take this folder up for a grade so it needs to be a pocket folder with brads.

\*\* **Calculator** - I prefer the Casio FX115 - \$20. The MATH TEAM will have some available for purchase.

\*\* A place for you to do and keep your math assignments. You could use a **3-ring binder**, a folder, spiral with pockets, etc. Use whatever works best for you to keep organized.

\*\* **Pencil** and **paper** for your assignments.

- Ruler - must have inches (with 1/16 inch 'the tiny marks'), millimeters/centimeter. I have plenty for the students to use.

\*\* A textbook will be issued. I will give Bonus Points for good book covers.

## Classroom supplies:

**A pack of colored copy paper**

**Graph paper**

**Box of Tissue**

Throughout the year, I may ask the students to bring in miscellaneous items to class

The Math TEAM has a Math Store where you can purchase some of these items.

Casico FX 115 - \$20

Bow Compass - \$5.00

Protractor - \$0.50

Pocket Folder - \$2.00

Ruler (clear, Magnifying) - \$2.00

\*\*\*more items: pens, pencils, lead refill, poster board, Thumb Drive, Composition Books, Index Cards, Highlighter, white out
