Mint Pump Soap with Grit is an effective natural hand cleaner combining oils with lanolin and coconut oil to provide a rich creamy lather leaving hands feeling clean, smooth and comfortable with a lingering mint fragrance.

Blended into **Mint Pump Soap with Grit** is a specialised grade of pumice, which acts as an abrasive to loosen and remove tough soiling dirt, grease and oil from the hands without irritating the skin.

Mint Pump Soap with Grit is ideally suited for use in all industrial workshops, work sites, automotive repair shops and the home garage.

Directions for use:

For General Cleaning
