In this case, the single supplement will be deducted from the refund of the person who cancels. Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement. Cancellation waiver protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. Cancellation waiver does not indemnify you from penalties if you chose to cancel partial tour components or air. If you chose to partially cancel your vacation, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation. Upon cancellation of transportation or travel services where you, the customer, are not at fault and have not canceled in violation of the terms and conditions above, you will be refunded 100%. Experience It! Burgos, Land of Cathedrals

Burgos was founded in 884 AD and its historical heritage is immediately evident. Its main sites are ecclesiastical, most notably its cathedral, but it has an atmosphere of rare grandeur. Burgos Cathedral, begun in 1221 and completed in 1567, is among the most admired in the world. Especially remarkable is its south portal, the "Puerta del Sarmiento," considered the best example of Gothic sculpture of its century. The cathedral is modeled after Bourges Cathedral in France and reflects the Gothic style made popular in Spain by the Cistercian Order.
