

CORPORATE PARTNERSHIP OPPORTUNITIES

PETE'S GARDEN is a food recovery organization dedicated to reducing food waste in Kansas City and providing free, hearty, take-home meals to local families. We recover wholesome prepared foods, portion and package into family-size servings, and distribute through local social service organizations. We are inviting companies to help us make a difference in Kansas City.

By the Numbers

30% of all food

grown or produced in the US
gets wasted or thrown out

Approximately
13 million kids

in the US are food insecure

1 in 6 kids

in Kansas City are
food insecure

BENEFITS OF A CORPORATE PARTNERSHIP

Enhance Your Brand

Your sponsorship puts your brand at the table with our community. Enjoy visibility across all Pete's Garden social media platforms, a featured spot on our website, and recognition in our mid-year and annual impact reports, all while helping feed Kansas City families.

Pro Tip: Make it a team outing and grab lunch before or after your volunteer shift!

Engage Your Employees

Bring your team to Pete's Garden! We host volunteer groups of 10–15 people and will happily dedicate a shift (or more) just for your company.

Our 2 hour shifts are upbeat, engaging, and hands-on. Your team will be packing meals that go out to Kansas City families that very day. The time flies, the music is good, the energy is high, and everyone leaves feeling like they truly made a difference.

Make a Measurable Difference

By joining us as a partner, you are fueling a system of care that rescues food, nourishes families, and strengthens our community. In 2026, our goal is to recover 260,000 pounds of fresh, prepared food and turn it into more than 215,000 meals that go straight to local families in need.
