## INTRODUCTION

Hello and welcome to *Revealed At Last*. This book is the view of one person who tried to find out if God existed. After researching other religions and their beliefs I examined the Bible's ancient text. The purpose of the journey was a way to test what was written in the Bible and see if it has an effect on humans today.

During the search over a number of years, I discovered revelations that may shock and surprise the reader while at the same time make you feel a buzz and a glow.

What is written in this book are just a few of my experiences. Topics such as "Hated Royalty" were personal experiences that could only be explained accurately by being utterly hated without valid reason.

In most of the chapters, the Bible is made clearer for those who are looking for clarity on certain sayings.

With modern day Christianity in part confusing, I write about how I see the teachings of Jesus and how believers in Christ should be seen in this world.

This book is most likely to attract people who already believe in the Bible, but wish to enhance their understanding of it.

Get ready to learn about the kingdom within you.

## Chapter 1

### Are You A Peculiar Person?

If you want to follow Jesus Christ and progress daily, this is for you. First I must start by saying, when you choose to become a follower of Christ, you have chosen to become a peculiar person. You are not like your neighbours, work colleagues, school friends or anyone else.

These are some definitions of the word “peculiar” from Dictionary.com.

**Peculiar:**

1. uncommon; unusual.
2. distinctive in nature or character from others.
3. belonging exclusively to some person, group or thing

The Bible says:

1 Peter 2:9

*“But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light;”* (King James Version)

If this is who the Bible says you are, then do you stand out? Are you that peculiar person? Does your character stand out? Does your behaviour stand out? Do the words you say stand out? Can someone point at you and say, 'You see that person over there . . . there is something different about them.'

You are supposed to be seen as peculiar. When you behave by not cursing, not taking drugs, not fighting, not gossiping, not being drunk nor throwing up everywhere, not doing the latest dance, not being a gangster, people see you as peculiar. At this point in history, it seems peculiar to do what is right and live as cleanly as you can. You may fall sometimes, but at least you are trying to live in a different way to how the media and the world tells you to live.

You can prepare yourself to be a follower of Jesus Christ:

1 John 5:21

*“Little children, keep yourselves from idols. Amen.”*

This verse helps us understand that having idols does not put you on the way of Christ.

John 14:6

*“Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.”*

So if you want to progress on the way of Christ you need to remove idols from your life; they take your focus away from being free. This means your walls are going to look different. The posters of your favourite sports stars, pop stars, hip hop stars, pastors (if you worship them) and celebrities will have to come down. This was something I also had to do many years ago. Even my huge classic poster of Jordan and Ewing jumping for the basketball came down.

I know a lot of people will not agree with me. Well, that is their decision, and proves how strong a hold these idols have on people. They may be hindering you from reaching higher knowledge of the spiritual realm.

For followers of Christ who are also Jay-Z fans, and have his posters on your wall, consider this. Now don't get me wrong, I am not saying anything against Jay-Z. He is a grown man who makes his own decisions and I do not judge him. For those of you who claim to be in the family of God, consider why it is contradictory to have Jay-Z's picture on your wall. These lyrics from one of his songs say, “Jesus can't save you, life starts when the church ends.”

Also, Robbie Williams. Neither am I judging him, but if you see him as your idol and you claim to believe in Jesus Christ, you should consider what Williams has to say in his lyrics. In his song *Bodies* he starts by singing, “Jesus really died for me”. Later on in his song, the lyrics, “Jesus *didn't* die for you, what do you want? (I want perfection) Jesus *didn't* die for you, what are you on?” By singing this, Robbie Williams has millions of fans singing and denying that Jesus Christ died for them. Read Robbie Williams' lyrics to *Bodies* for yourself and consider what he is actually doing to millions of people. Don't be deceived by smiles or how much wealth these rich celebrities have. As the Bible says,

Matthew 12:37

*Your words will be used to judge you—to declare you either innocent or guilty.”*

## Revealed At Last

Why have Jay-Z and Robbie Williams chosen to speak negatively about Jesus? Why have a hip hop star and a pop star in completely different genres focused on Christ and not Buddha, Islam, Hinduism or any other forms of organised worship?

When you remove all hindrances and idols from your life, vision, soul and mind, you have prepared yourself to become an empty jar ready to be filled with water. The jar is empty because you decided to empty your soul and body of your old life. By your own decision, you chose to be available, washed and ready to take in the water that will benefit the innermost parts of your soul.

John 4:14

*“But whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life.”*

Only people who have emptied themselves of their old life can receive this pure water from Christ.

Remember when Jesus was at the wedding and they ran out of wine?

John 2:7

*“Jesus saith unto them, Fill the waterpots with water. And they filled them up to the brim.”*

When Jesus sees that you (the water pot or jar) is available to be used, then you are ready to receive the water that springs to everlasting life. After Jesus had turned the water into wine, the wine was ready to be served to others. The water pot or jar (you) still has the same body, but inside the jar (you) a miracle has taken place. What was inside the jar (you) had been poured out for others to drink and digest. What came from you (the jar) was delicious because you were empty, filled with the spring of everlasting water, then a miracle (wine) happened inside you. What was inside you was then shared with others, which delighted them very much. All this was possible because:

1. You were emptied of your past
2. You were washed and then available to be used
3. You allowed the pure spring water to come into your life
4. You were filled to the brim and ready for your miracle

5. Your miracle happened and others experienced what was stored inside you

6. What was inside you brought joy to the souls of those who drank from the jar (you)

7. All this was made possible because you are a peculiar person who follows the way of Jesus Christ.

John 2:10

*“And saith unto him, Every man at the beginning doth set forth good wine; and when men have well drunk, then that which is worse: but thou hast kept the good wine until now.”*

Yes! You are the good wine. The best! Prepared to quench the thirst of those who need what is overflowing from you. This wine inside you is miraculous wine. I am sure the guests had a wonderful time at the wedding when they tasted that wine. The wine inside you should be ready to be poured out to make others happy. You are a peculiar person.

1 Peter 2:9

*“But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light”*

God can touch the lives of anybody. Even *your* life! He can even use you to touch someone else's life. Just please remember, it is God who deserves the credit from the miraculous things that take place. Honour the jar (person), but don't worship the jar (person). Take care of the jar so the jar does not fall and break. One day, you may become like the jar, ready and available for the water inside you to turn into miraculous wine.

## Chapter 2

### The Church Ship

This is a vision I had while awake about the church. Once I saw the vision, I started typing. As I typed, more things were revealed. I could both see and understand them. This vision turns into a story like parable – something which Jesus did on occasion to make people understand things more clearly. I hope it will be made clear to you what I saw.

The church is like a ship on the sea that sailed out. It is voyaging to do the mission of Christ, but, in our time, it dropped anchor to stay in one place. It remained there and did not go anywhere for a long time. The majority of the pastors and church leaders were quite happy with the position of the ship (church) and wanted to remain at anchor in the calm sea. They were comfortable relaxing on deck taking in the sun, being praised by the people aboard the ship and doing ritualistic things that were mild and had no real relevance to the way of Christ. Sometimes, passing ships would board the church ship. Some people stayed on the church ship, but many returned back to the ship they came from.

On the church ship there were a few pastors who were doing right in the sight of God. Other pastors angered God because of their competition, greed, lies, sexual immorality, manipulation and twisting of the gospel to suit themselves. More and more church leaders saw how much fun the corrupt church leaders were having; taking drugs, committing adultery and participating in gay and lesbian sex. They saw that no punishment came to these leaders so they decided to become part of these things too.

The few good church leaders were disgusted and prayed, fasted and asked God to intervene. They prayed and prayed. They grew more and more discouraged and wondered why God did not do anything. These good church leaders almost gave up. Their hope had almost gone. Then God said, 'It's time!'

A wind blew across the sea and created waves. The waves did not trouble most of the sexually immoral pastors as they thought it would pass and the wind would die down. Day by

day, the wind blew a little stronger. The waves grew larger and larger. This caused concern for all aboard the ship, so everyone went inside. The sexually immoral pastors thought 'this too shall pass' and the wind would die down soon. They did not stop committing their sins, but carried on behind closed doors.

The wind started to blow mightily until all (apart from the good pastors) in the ship were disorientated, scared, panicked and lost. The ship swayed violently. Everyone was told to go on deck. Once there, the ship tossed violently and some called on God for help. Some cursed God and blamed him for the waves, and they stopped believing in him because they had enjoyed sunbathing on deck and participating in unclean acts. The ship began to rock so violently that people started to jump into the sea. Everyone, good and bad, were tossed into the sea.

The majority of people stayed afloat with life jackets. But most amazing of all, the few remaining good pastors simply stood on the water. They were not wetted by the sea or the roaring waves. They stood on the water as if it were land. They were bold.

The waves died down and the sea became calm. The ship became still and the good pastors went back aboard. These good pastors rescued many of the people in life jackets. Many of those came aboard the church ship once again. There were many still left in the water who had on life jackets, but refused to go back onto the church ship. They hated it. Instead, they waited for another ship to rescue them. This ship was called the *Falling Away*. They boarded this ship and carried on in their sin, and created for themselves a lying gospel which made them happy. They had rejected the true gospel which was too frightening and not what they wanted to hear.

The *Falling Away* was a huge ship, three times the size of the church ship. It had room for many people who did not want to sail on the church ship. The church ship had room for everyone in the world, but many chose the *Falling Away* as they could sin and do all the disgraceful acts they wished to, as in the days of Sodom and Gomorrah.

Those on the church ship were so happy that it had tossed out all the wickedness it had carried before. The good pastors taught them the true gospel and their lives were healed. Their marriages became strong, and single people found partners and got married. Everywhere the church ship went signs,

## Revealed At Last

miracles and wonders happened. The captain of this ship was the Holy Ghost. Wherever the Holy Ghost led them, great and mighty things happened.

As the two ships came to the end of their cruise, the *Falling Away* ship drifted far out, then fire fell from the sky and burnt everyone aboard. The worst thing is that the people could not die. They screamed in agony, fully ablaze as they stood up, then fell, then stood up, then fell. The torment never ended. They could see the sea, but did not have the strength to throw themselves overboard. They just could not do it. This tormented them even more as the fire burned hotter and hotter, but the flames did not kill them and did not go out, but continued to burn them. They wept and wailed and gnashed their teeth.

The people on the church ship sailed to a land they had never visited before. They got off the ship and saw that this land was beautiful. It was called Paradise. They were approached by what seemed to be angelic humans. The angelic humans gave the people from the ship robes which had their names on. They were also given a crown. The millions of people who came from the church ship marched through Paradise and were taken to a large banquet hall. There was a table that stretched on and on for what seemed like forever. The table had delicious food on it and cards with names showed the people where to sit.

It was time for the great wedding. It was time for the bride to be with Jesus Christ.

The End . . . ?

No! This is the beginning of the renewal of all things.

## Chapter 3

### The Lonely Child

In 2009, the words of *The Lonely Child* was made into a video. It was put on YouTube.com. To date the video has been watched over 21,400 times. These are a few of the comments left by those who heard and read the words in this chapter.

ruscris2

*"I like this modern time parable :D"*

JohnThePanpire

*"Great video, really makes you think."*

King Delroy

*"I love this video, you are right, and truthful, and the way you explained things was inspired by the holy spirit (so that even a child could understand). For it is written "he that winneth souls is wise" God bless"*

NZpower018

*"This video is wisdom, and I can feel it. Too bad it doesn't inspire everyone. GBY"*

Ahmana Carter

*"Actually I thought it was an excellent way of helping people to understand how the most high will shut us off because of our wicked ways! To each his own, but I thought it was a good idea of helping some like myself finally understand! Stay blessed you all!"*

Angelina Matthews

*"Can I say Spirit ROAR that I constantly feel lost and that God has abandoned me and you quickly and swiftly bring me out of that state and let me remember who it is I am to serve :) Thank you...Keep doing the Good Work"*

This is the parable of the lonely child. You know that child in the playground? The one who does not have any friends? To the

rest of the children he is not trendy. He has not got the latest mobile phone or the newest, hot off the press sweatshirt or sneakers. He is mocked and teased, but does not reply. He is quite happy being on his own, but would like a friend.

One day, a child decides to approach the lonely child. They become friends and the lonely child is happy that somebody has taken notice of him. After school that day, the lonely child asks his new friend if he would like to come to his house and play. The child says yes so the lonely child takes his new friend home.

His new friend cannot believe the size of the mansion where the lonely child lives. It is beautiful and huge. The lonely child takes his new friend around the mansion. They play video games, they play basketball outside in the back garden on a full size court, and there is also a swimming pool and tennis court in the back garden. They eat together and the lonely child shares everything he has with his new friend. The new friend is overwhelmed and happy.

The next day at school, the lonely child sits on his own until his new friend sees him and is happy to see him. They play together in the playground and have fun together. The other trendy kids see the lonely child and his new friend playing and they start to point and talk about the lonely child's new friend. They start to tease the lonely child's friend and say, 'Why are you friends with the lonely child?' They laugh at the lonely child and his friend. This carries on for many days, but the lonely child's friend plays with the lonely child and does not care what anyone says.

One Saturday, the lonely child and his friend are taken to the mall in a stretch limousine and given money to go and buy whatever they would like. Many of the lonely child's school friends see him and his friend step out of the limo. Their jaws drop to the floor in shock.

The lonely child and his friend spend the day at the mall laughing, joking and having fun.

When it is time to go home, they walk back to the limo. The lonely child's school friends are outside the limo checking out the rims and the solid gold trim. When they go inside the limousine, the trendy kids knock on the window and ask if they can come inside. The lonely child says, 'I do not know who you are.' The trendy kids say, 'Yes you do. We go to your school. We know your name.' The lonely child says, 'Yes, you know my

name and you have teased and mocked me and my friend, but now you see my father's wealth you want to be my friend.'

The trendy kids ask again if they can come inside the limo. The lonely child says, 'My father has shut the door and put on the central locking. You cannot come in. You had the chance to know me at school, but you ignored me and teased me and mocked me. My father is not pleased with you. I was not troubling you. You could have been my friend, but did not want to be. Now you see how much I am worth, you want to be my friend. Well, my father says it is too late.'

The trendy kids are very upset and regret not being his friend when they had the chance. They regret not getting to know the lonely child, but instead mocked and teased him. Then as soon as the limo drives off it starts to rain heavily, then hails and thunders. The trendy kids get soaked and drenched in the hail stones and rain.

The lonely child and his new friend return to the mansion to play and laugh, and have a great time.

The lonely child's friend is an orphan who lives in a care home. So the father of the lonely child adopts his son's friend and they all live in the huge mansion. The father treats the orphan child as his own, so much so that you would have thought he was his all along. Everything that belongs to the father also belongs to the orphan child. The orphan child gives honour to the father every day and thanks him for what he has done for him.

THE PARABLE EXPLAINED: The lonely child is Jesus and his Father is God. The orphan child is a person who took the time to get to know Jesus and, when they became friends, the Father blesses his son and his son's friend so much that he adopts him as his own child. In fact, the orphan child did not realise that he was related to the Father and the lonely child all along.

Acts 17: 26-31

*"26 From one man[a] he created all the nations throughout the whole earth. He decided beforehand when they should rise and fall, and he determined their boundaries.*

*27 His purpose was for the nations to seek after God and perhaps feel their way toward him and find him—though he is not far from any one of us. 28 For in him we live and move and*

## Revealed At Last

*exist. As some of your[b] own poets have said, 'We are his offspring.' 29 And since this is true, we shouldn't think of God as an idol designed by craftsmen from gold or silver or stone.*

*30 "God overlooked people's ignorance about these things in earlier times, but now he commands everyone everywhere to repent of their sins and turn to him. 31 For he has set a day for judging the world with justice by the man he has appointed, and he proved to everyone who this is by raising him from the dead." (New Living Translation)*

The trendy kids are people who mock Jesus and the friend of Jesus. But when the glory of Jesus was revealed, only then did the mockers want to become a friend of Jesus, but it was too late as the Father had locked the door shut and no one else could be saved. The rain represents the fire that falls to earth (2 Peter 3:10, Luke 17:29-30) and burns the mockers and those who refused Jesus.

Everyone who has an ear to hear and eyes to read should take this message seriously. There will be a time when you can no longer call on Jesus to be your friend. Make friends with him now while you can. Once the door is shut there is nothing you can do. You could recite the bible from cover to cover, but if you do not know Jesus now you will remain outside where the fire falls. If you want to be saved from what will come to this earth, or accept Jesus before you die, go to the chapter titled "The Blood Sacrifice" at the end of this book.

### **University of the Highest Education International**

#### **U. HE. I**

This chapter is written in the style of a university prospectus with full information of the educational course.

Welcome to U HE I. This university is designed with you as the main focus. You will major in the talent that is already inside you. You are the class. You are the subject. This is a unique class in which you should get top marks because it is all about you.

As long as you agree to the enrolment requirements, you will be guaranteed acceptance. It does not matter what colour you are or what nationality you are. It does not matter about your previous grades or criminal record if you have one. Enrol just as you are.

We at U HE I allow you to work at your own pace. You will be tested by yourself against yourself. Only you are able to grade your performance and achievements.

Your status upon enrolment is "Disciple". You will then develop to the standard of "Royal Priesthood, King or Queen". You will become part of the Holy Nation as soon as you become a disciple, and will progress daily to become greater than you were yesterday.

U HE I has another meaning:

"U" (you) are educated by "HE" (the Holy Spirit), until you have graduated and become "I" (which is you); educated and prepared to live an abundant life (a better life with a better mindset) which is based on the principals of the Holy Bible.

As you are the subject at U HE I, you have everything you need. It is already inside you. All you need to do is progress to benefit from U. U will also be beneficial to others, especially

## Revealed At Last

those who belong to the Holy Nation and other disciples at UHE I. That is why you must encourage others as you are encouraged.

To help you on your way, you will see signs. Sometimes you may have a thought to which you need an answer while you are on your own or with others.

You may see the following signs in a TV advert, on a passing car registration plate, on a digital clock or absolutely anywhere. They are there to lead you to the understanding of your thought or direction.

Signs through numbers, which may come up when you need clarification of a thought.

111 = this is the start of a new cycle in your life

222 = you are doing right according to your thoughts

333 = yes

444 = no

555 = something has just happened somewhere which may be an answer to a prayer

666 = you are focusing on the wrong thing, for example money or material things, and you should stop this line of thought

777 = heaven applauds you for what you have done or just learnt

888 = a phase in your life is about to come to an end. This is letting you know to prepare for what is about to happen

999 = you have completed something

123, 5678 or any other series of numbers that progress upwards in order means your thoughts are heading in the right direction.

321, 7654 or any series of numbers that progress downwards in order is a sign that your thoughts are going in the wrong direction.

[This is not something I made up. I repeatedly saw numbers such as 333 or 444 or 555 all the time. It annoyed me because I did not know what they meant, yet I believed they meant something. They do mean something. A “voice” gave me the explanation which I have provided for you to also understand.]

\*

All that U HE I has to offer is to give you the opportunity to become all you are, in order to fulfil your purpose on this earth. It does not matter what someone else thinks about you as they do not know your thoughts or what is deep inside you waiting to come out and be seen by others.

To enrol you will have to do the following:

Confess your sins to God. Admit that you have done wrong in your life. Believe that Jesus is the Son of God who died for your sins and was brought back to life three days later.

If you have done that you are now enrolled.

You will need to know that the knowledge you need to progress may come through suffering. Not as a criminal, but as someone who is opening up and gaining with knowledge through experience. This process will last for as much time as it takes.

1 Peter 4:12

*"Dear friends, do not be surprised at the painful trial you are suffering, as though something strange were happening to you."*

1 Peter 5:9

*"Resist him, standing firm in the faith, because you know that your brothers throughout the world are undergoing the same kind of sufferings."*

1 Peter 2:23

*"When they hurled their insults at him, he did not retaliate; when he suffered, he made no threats. Instead, he entrusted himself to him who judges justly."*

\*

1 Peter 5:10

*"And the God of all grace, who called you to his eternal glory in Christ, after you have suffered a little while, will himself restore you and make you strong, firm and steadfast."*

Romans 12:2

*"Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be*

*able to test and approve what God's will is-his good, pleasing and perfect will."*

Your gift could have something to do with filmmaking, engineering, real estate, gardening, graphic design, basketball, writing, athletics, T-shirt printing, plumbing, electrical installation, construction, well, absolutely anything. And when your gift is ready to be used, it should benefit you and others. These gifts could bring you into contact with people to whom God wants you to be an example or whom could help you in some way.

There are also other gifts, but these are spiritual. You may or may not have one of these gifts. If you do not have the following gift then that is not a problem. Your purpose may not be to have these gifts, but are for someone else.

1 Corinthians 12

*"4 There are different kinds of gifts, but the same Spirit.*

*5 There are different kinds of service, but the same Lord.*

*6 There are different kinds of working, but the same God works all of them in all men.*

*7 Now to each one the manifestation of the Spirit is given for the common good.*

*8 To one there is given through the Spirit the message of wisdom, to another the message of knowledge by means of the same Spirit,*

*9 to another faith by the same Spirit, to another gifts of healing by that one Spirit,*

*10 to another miraculous powers, to another prophecy, to another distinguishing between spirits, to another speaking in different kinds of tongues, and to still another the interpretation of tongues.*

*11 All these are the work of one and the same Spirit, and he gives them to each one, just as he determines."*

1 Corinthians 1:10

*"I appeal to you, brothers, in the name of our Lord Jesus Christ, that all of you agree with one another so that there may be no divisions among you and that you may be perfectly united in mind and thought."*

Peter Hutchinson

So here at U HE I you see what we are about. If you would like to enrol you can do so right away. And once you have completed your enrolment, your class begins instantly.

Once you have graduated, these verses are what will be ahead of you.

Mark 10:29-30

*"29 "I tell you the truth," Jesus replied, "no one who has left home or brothers or sisters or mother or father or children or fields for me and the gospel*

*30 will fail to receive a hundred times as much in this present age (homes, brothers, sisters, mothers, children and fields-and with them, persecutions) and in the age to come, eternal life."*

T-shirts, hooded tops or any type of clothing can be printed by you (ONLY if you have enrolled) with the name University of the Highest Education International or U HE I. Fellow students of U HE I around the world may recognise you instantly and acknowledge you as another disciple on your personal studies. Say hi to each other! If you prefer to have a ready-made University of the Highest Education International T-shirt or garment, you can purchase them by going to [PeterHutchinson.co.uk](http://PeterHutchinson.co.uk) and click on the button for U HE I clothing or go straight to [uhei.co.uk](http://uhei.co.uk).

Once enrolled, start by reading the book near the end of the Bible called 1 John. This should give you your foundation and begin your class.

The U HE I prays that upon enrolment blessings, miracles, signs, wonders and overwhelming joy will become your experience in Jesus Christ's name, amen.

## Chapter 5

### ATP Self Development

(ATP = Adult Transition Process)

This chapter is about self-development and bringing out the real you.

Are you really happy with yourself? If you are, then great. If not, why not? If you're not happy with yourself then I hope this chapter will change things for you.

First I must say, YOU ARE GREAT. (Don't say 'yeah, right') You really are. It's time you started to enjoy yourself. No one can be better at being you than you. You are one person who is part of the 7 billion+ people walking this earth right now. You are alive. You can go anywhere you wish on this earth if you can afford to.

Now it is time to work on you. What you have been able to do up until now, may have been seen as useless by yourself or people who talked about you. But it could really be one of your best qualities. You have to turn it around. You must realise that what people try to make seem negative in your life may only be something they cannot do themselves. It could be their jealousy or low limits they have in their own mind about you.

I suggest you ignore the negative people who may be around you. When people see a change in you, they may not be mentally strong enough to bother you anymore. If they talk about you, don't get upset because your talent is for you. If bad or negative things are said about you, then just laugh. You don't even have to reply. They may never be able to do what you can do.

I told you, you are great. Now do you believe me? No? Read on.

You must realise how insults really work. Let's say a boy called Bill is insulted by Ernie. Ernie insults Bill because (a) he thinks he is better than Bill, and (b) he is jealous of Bill. Ernie's insult is really an acknowledgment that Bill can do something that Ernie cannot. Ernie's insult is a [false] victory enabling him to cover up the shameful battle he has just lost to Bill. We can

now see that Bill does not need to retaliate, only realise that Ernie has put Bill in a position of greatness above Ernie.

This also applies when a bad-minded person wants you to do something that you don't want to do. When you say 'NO' to them, they can't handle it. They insult you because they have no control over you and this hurts their feelings or scares them. When you say 'NO,' you are in control and the bad-minded person has no power over you. They become uneasy and weak.

Back to Bill and Ernie. If Bill says 'NO', Ernie's feelings are hurt. What many people do not realise is that as soon as someone insults you, you become above them. They are actually intimidated by your refusal to listen to them. They want to be above you, but they fall flat on their face and you subconsciously walk all over them.

### **Other Personal Qualities Can Be Dealt with Now.**

Get yourself two pieces of paper. Write down a list of things both good and bad about yourself on one piece of paper. This could be things like: good with people, trusted, honest, liar, thief, reliable, criticise everyone all the time etc. You can write down anything about yourself on the list.

When you have finished your list, take the other piece of paper and write down only the *good* things about yourself from your list. Now tear the first list into pieces, but keep the piece of paper with all the *good* things about you on it. This is the list you must concentrate on for the progression of your self-development.

Also add to your list "I am attractive". Even if you believe you're not, you really are. Just because the people around you may say you're not, that does not mean they are right. You will be amazed to know that the people you see as attractive others may not, and who others see as attractive you may not. So believe you are attractive because you are.

All the good things on your list are for you to build on. It is not as if you have to go out and try to get the qualities on your list. All the qualities on the list are what you have said about yourself. They are already in you. Love being you. You will never be or can never be someone else. Just enjoy being you. You are great. Treat yourself well. Don't let anyone else dictate or control your life. It is your life. If you are in a relationship, aim to bring out the best for the two of you as if you are one person.

## Revealed At Last

And if you have a family, your children will learn from you as positive parent/s. If you are a teenager, remember that you should always respect your parents as they really want the best for you. If your parents are treating you (or have treated you) badly, realise that you will grow older and be able to move away one day. Your parent/s may still be suffering secretly over things that happened in their past which they have never let go of. They may be taking it out on you.

Concentrate on your list and progress daily. Also put on your list, "I am great, I am confident, I am excellent, I am in control". Say these words to yourself every day as many times as you wish. Don't rob yourself of the happiness that is already inside you and which you are not using. Use it.

Today is a new day and a new start for you. Sign your name and write down today's date on a piece of paper. When you have signed you cannot return to the negative past. Forget the past. Look forward now. Avoid people who upset you until you reach the developed stage where they will be silenced and ashamed of themselves because of the way they treated you. Be creative and enjoy the rest of your life.

**Today is the beginning for a brand new me.**

## Chapter 6

### The Return Of The Prodigal Son

If you believe that Jesus came from heaven and then returned, you should understand that Jesus came to earth to show you the way so that you too can return to God's way. Jesus said, 'seek first the kingdom of God.'

Matthew 6:33

*"But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."*

As some of the mysteries of human life are revealed in these times, we should consider that God knew us before we were born.

Jeremiah 1:5

*"Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations."*

This verse was spoken about Jeremiah. God knows who each of us was supposed to be before we were born. Jeremiah was supposed to be a prophet. So how do you find out who you are supposed to be? You have to take a spiritual journey back to where? The Kingdom of God. Jesus said the Kingdom of Heaven is within you. So if it is within you then you have to take a journey inside of you to understand who you were created to be.

Society is controlled by a number of organisations whose purpose is to make you dislike yourself (unless it is on their terms). You are too fat, too thin, too tall, too short, wearing the wrong clothes, out of fashion, in fashion, not pretty enough, not gangster enough, not ghetto enough, too white, too black, politically incorrect, in need of breast implants, in need of a face lift, in need of liposuction, in need of collagen, not handsome enough, too ugly, too poor . . . the list goes on and on and on . . . BUT magazines, fashion consultants and those who

## Revealed At Last

control the media all have the "answers" because they made you feel bad about yourself in the first place. The "answers" they give are what THEY want you to do, so you buy their products and keep pumping money into their brands so that you become confident in their products (and your outer self) and fit in with the rest of the controlled society. So much attention to the outer you when the inner you is lost and hurting.

The people who control society make "trendy" people laugh at others . . . when the "trendy" people are the ones who should realise that they may be a slave to society and a slave to fashion.

Let's go a little bit deeper. If a person made their own clothes by hand and wore them on the street, some people may laugh at them because they are not wearing a named brand. For example, I'll use the name Dave (as a person who made his own clothes) and Mike (who wears many branded clothes – let's use the name *Lewis Boutton* as if it were a famous brand name).

Dave, who made his own clothes, has created a design which represents how he wants to dress. It is not loud and out of place, but casual. Because Dave created his own clothes, he is displaying his own name. Mike, on the other hand, who laughs at Dave for wearing his own handmade clothes, does not realize that he should not laugh because he is the one who wears names that are not his own. *Lewis Boutton* is not who Mike is. Mike wears *Lewis Boutton* because it gives him confidence and makes him feel more important than wearing clothes without a recognised name. Does that give him the right to laugh at Dave?

Dave is comfortable with his own name and does not find the need to wear someone else's name to give him confidence. Dave may always be comfortable and always in fashion because he controls his own fashion.

Mike, on the other hand, looks for people to make him feel secure. He will get into debt in order to wear *Lewis Boutton's* latest clothes and be accepted by the "in crowd".

\*

Can you imagine if the way people thought was turned the other way around? The media says things like, "this is a must have" or "you need this" or they talk about the next new fashion accessory or item of clothing. Every season something new comes out which makes what you have just bought "out of date" or "out of fashion". Just imagine if when people bought an item of clothing it had the day, month and year on it and the longer you had that item of clothing the more respect you got for taking care of that item of clothing. Instead of laughing at a person who had clothes from five years ago and saying, 'you're still wearing that?' just imagine if people said, 'I can trust you to look after something for me because you have looked after that coat for years.' And the truth is, some people have clothes that have nothing wrong with them, yet they will not wear them because the media or their society-controlled friends say, 'It's out of fashion,' causing you to be laughed at.

So, while Dave is at peace in his own clothes, Mike may become insecure if he cannot afford the latest *Lewis Boutton* design. Mike may become insecure because he does not have confidence in who he actually is. Mike is not *Lewis Boutton*, so why should he become depressed and upset if he can no longer wear *Lewis Boutton* clothes? Do you honestly believe that the *Lewis Boutton* company is concerned about Mike's insecurity? They don't even know Mike.

When you find the Kingdom of God within you, then you find you. The journey to the Kingdom gradually strips you until you arrive naked right back to the place you left, the Garden of Eden. And when you return back to the garden and are in God and God is in you, then you are no longer naked. You were lost and could not find your way back to the garden until Jesus came. Who did Jesus come for?

Luke 19:10

*"For the Son of man is come to seek and to save that which was lost."*

Your soul is that which is lost. The way you live is what is lost. The mentality of the Kingdom of God from the Garden of Eden is what was lost from the mind of humans. Those who control

## Revealed At Last

society, the media, fashion and certain laws have distracted you from the way of God which was lost.

Zacchaeus was a tax collector who took money from people dishonestly, but because Jesus showed him the way back to the Kingdom of God's mentality, he changed immediately to be one with the Kingdom's way on earth.

Luke 19: 8-10

*"8 And Zacchaeus stood, and said unto the Lord: Behold, Lord, the half of my goods I give to the poor; and if I have taken any thing from any man by false accusation, I restore him fourfold.*

*9 And Jesus said unto him, This day is salvation come to this house, forsomuch as he also is a son of Abraham.*

*10 For the Son of man is come to seek and to save that which was lost."*

In today's world, everything is about competition and getting more money than the next person so they can brag. (Unfortunately, this sounds like the church). But competition and selfish gain is so far from the Kingdom of God that a person with this type of mentality is lost. There is no competition in the Way that John taught – only sharing.

Luke 3:11

*"11 He answereth and saith unto them, He that hath two coats, let him impart to him that hath none; and he that hath meat, let him do likewise."*

Jesus said:

Matthew 5: 41-45

*"41 And whosoever shall compel thee to go a mile, go with him twain.*

*42 Give to him that asketh thee, and from him that would borrow of thee turn not thou away.*

*43 Ye have heard that it hath been said, Thou shalt love thy neighbour, and hate thine enemy.*

*44 But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you;*

*45 That ye may be the children of your Father which is in heaven: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust."*

Does that seem too much to ask for these days? That shows how lost and how far away from the Kingdom you may be. To love your enemies does not mean you should go out of your way and run after them saying, 'I love you.' Just don't say anything negative about them. The reason your enemies behave the way they do is because they are lost and may be controlled by society's way of thinking and may be angry because they cannot afford the new "must have" *Lewis Boutton* item. Remember, it does not matter what your enemy says about you. You are not them. You are not what they say about you. You are you and hopefully you have found the Kingdom of God within you . . . or are still on the path to finding it in its fullness.

You can only return to the Kingdom to be with God by one way. There is no other way. You have to take that journey back with the only tour guide who knows the way.

John 14:6

*"Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me."*

Without the tour guide, you cannot get there as the tour guide is your map and your compass – Christ. When you make that journey to seek the Kingdom of God, you not only find the Kingdom and the Father, you find you and what you were created for. And, when you go even further, all that is left, as it was in the beginning, is the image of God. One body. If there is only one body then there is neither male nor female but one body.

Galatians 3:27-28

*"27 For as many of you as have been baptized into Christ have put on Christ.*

*28 There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus."*

## **Chapter 7**

### **Black People, the Bible and Real History**

As we are in a transitional point in history, certain things need to be revealed. Take your time and read to find out what has been hidden from you and why.

The chosen people of God are said to be from the line of Abraham, Isaac and Israel . . . but who are they? You may have this bloodline and not know it.

In this message you will see references to black and white people. True people of God are not colour prejudiced. The Bible teaches us to test the spirit or a person's fruit . . . not the colour of a person's skin. The truth is, the most likely people to lie to you, steal from you, kill you or cause trouble for you are those of the same colour as you . . . and possibly from your own family. So as you read, read in maturity and not according to colour prejudice.

I will use King Solomon to help with this message, who is of the family line of Abraham.

It is biblically proven that King Solomon was black, therefore his mother or father or both had to be black . . . and also the generations before him had to have been black or brown. It is widely known that black people are said to have come from Noah's son, Ham. But what you will actually see is that Solomon was not of the line of Ham, yet Solomon was black. So this causes a problem.

Matthew 1:1-7 shows the lineage from Abraham, Isaac and Israel to Solomon. We have to go to Chronicles to see the family line above Abraham. Abraham's family line leads to Noah's son Shem. 1 Chronicles 1:24-27.

Noah had 3 sons, Shem, Ham and Japheth. Ham is said to be from whom black people descended, and Japheth is said to be from whom white people came from. So what colour people

## Revealed At Last

came from Shem? It would seem to be brown people as Solomon was black and David would have been black, or most likely brown. So in our modern time it would seem to be extremely incorrect to put all black people into one box. There are black people from Ham and black people from Shem. Why is this an issue? Because Abraham, from the line of Shem, was given a supernatural generational promise from God. This in turn made the family line from Abraham God's great nation of chosen people. This is the promise that God made to Abraham and not to other people of Abrahams time.

Genesis 12:1-3

*"1 Now the LORD had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee:*

*2 And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing:*

*3 And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed."*

If the chosen people of God turned from his ways, God said that they would suffer for their disobedience.

Deuteronomy 28:36-38

*"36 The LORD shall bring thee, and thy king which thou shalt set over thee, unto a nation which neither thou nor thy fathers have known; and there shalt thou serve other gods, wood and stone.*

*37 And thou shalt become an astonishment, a proverb, and a byword, among all nations whither the LORD shall lead thee.*

*38 Thou shalt carry much seed out into the field, and shalt gather but little in; for the locust shall consume it."*

So from the time of Abraham to this present day the promise, the blessings and the curses still apply today for the descendants of the great nation of people who came from the line of Abraham.

When Jesus began to teach people the way of the Father, Jesus was only sent to the descendants of the great nation which came from Abraham's family line. After Jesus taught the descendants of the great nation, he told them to go out and

teach the rest of the people in the world the right way to live which is pleasing in the sight of the Father.

Mark 7: 25-27

*"25 For a certain woman, whose young daughter had an unclean spirit, heard of him, and came and fell at his feet:*

*26 The woman was a Greek, a Syrophenician by nation; and she besought him that he would cast forth the devil out of her daughter.*

*27 But Jesus said unto her, Let the children first be filled: for it is not meet to take the children's bread, and to cast it unto the dogs."*

Right here, Jesus is showing some sort of designed purpose to first teach the great nation to which his family line belonged. In his communication with the woman he classed her nationality as "dogs".

After Jesus had fulfilled his purpose on earth and taught the disciples of the great nation all they needed to know, he sent them out to teach the rest of the world.

Matthew 28:19-20

*"19 Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:*

*20 Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen."*

To recap, there are different types of black people. There are black people from the line of Ham and there are black/brown people from the line of Shem to Abraham to Isaac and Israel, who God called the great nation. So why was Solomon's dark complexion mentioned in the Bible and not the other children of David? Because David was most likely brown-skinned, as were some of his other children. Solomon came from Bathsheba. To understand Solomon's dark complexion we need to know Bathsheba's family line. What we know from Bathsheba is that she was first married to the Hittite, Uriah. If Bathsheba was a Hittite, that would lead her family line back to Ham (son of Noah) who is said to have been black. Heth is also known as the Hittites, who are descendants of Ham.

## Revealed At Last

So who are these black/brown people who are known as the great nation?

As it was God who gave them the promise of blessings, he also told them what would happen to them if they turned from his ways. This verse is part of the punishment for the great nation if they disobeyed him.

Deuteronomy 28:68

*"And the LORD shall bring thee into Egypt again with ships, by the way whereof I spake unto thee, Thou shalt see it no more again: and there ye shall be sold unto your enemies for bondmen and bondwomen, and no man shall buy you."*

When the great nation was disobedient at a certain time in history they ended up as slaves in Egypt. As we know, God led them out of Egypt using Moses. Many years later the great nation was disobedient to God yet again. As they worshipped other gods and ignored God, they again ended up as slaves. This time they were brought into another type of Egypt (a great powerful country) by ships and were sold to their enemies.

So who are the people of the great nation? We know they are black/brown people, but they are not the same as other black people. They were sold as slaves and taken aboard ships. The region they were taken from was far enough away from their homes for them to be transported by ship.

That leaves me to say, if your descendants came to the Americas and West Indies as slaves transported by ships, you are more than likely the descendants of the great nation. You are a different type of black people and have a powerful promise in your ancestral line that still applies today.

Your real name is not Jackson, Smith, Jones, Hutchinson or Lynch. These are the names of the people who bought you and tried to destroy your memory of who you really are. Up until now, they have been successful in that task as many black people in the Americas and West Indies (and around the world) cannot tell you their family line more than a few generations back.

Something else that should make you recognise who you are is this: you have been so talented for so many years, but no

matter how much talent you sowed, you have reaped little back. This is part of the punishment for turning from your God.

Deuteronomy 28:38

*"Thou shalt carry much seed out into the field, and shalt gather but little in;..."*

This pattern of working hard and reaping little can now be understood. You have been constantly distracted and prevented from knowing which family line you come from, which is of a high social class that Jesus displayed when talking to the woman who's people he called dogs. You have been distracted and constantly told lies about who you really are. You are the descendants of Abraham. The supernatural promise still applies to you. You have been beaten and harassed by the police. You have been hung on trees, decapitated, burnt to death, tortured and given no proper justice. Drugs and guns and negative visions have been put in your neighbourhoods. They have made it very hard for you to be accepted for jobs. You never knew who you were and why all this evil was happening to you . . . until now! The people controlling the world today, whose job it is to keep you occupied with police harassment, a bad name, degrading music and movies, they KNOW WHO YOU ARE! As long as *you* don't know who you are, they are happy and have power over you. But, as we are nearing the return of our brother (Jesus Christ), it is time to know who you are.

Some will reject the truth and continue to be controlled and enslaved to the way of the world. For the rest of you, you will realise who you are and call to God and say, 'I know who I am now.' You have heard in the *Matrix* film "Know Thy Self". Well, now it is time to know and accept who you are and know that you are the great nation. Now you know why you are arrested for no reason. Now you know why you are given ridiculously long prison sentences. In the USA, now you know why they put a lot of you in the projects and ghettos and leave you there to rot, and fill your streets with gun shops and liquor stores. Now you know why they mess with your mind so you take crack, heroin and other drugs. According to those who control the world, you are not allowed to know who you are. I pray that now you know who you are, a supernatural change will hit your spirit right now and remove the addictions that have been forced on

## Revealed At Last

you to keep you ignorant and in bondage. I pray that addictions to alcohol will instantly be removed at this very moment. I pray that the addiction to drugs will instantly come out of your body and you will be set free immediately. I pray that now your eyes are opened, your outlook on life will be renewed in your mind and spirit. You are the great nation!

This is the message Jesus Christ gave to your ancestors two thousand years ago, because he saw how your ancestors were also treated in those days. It's the same as the way you are being treated today.

Matthew 5: 1-13

*"1 And seeing the multitudes, he went up into a mountain: and when he was set, his disciples came unto him:*

*2 And he opened his mouth, and taught them, saying,*

*3 Blessed are the poor in spirit: for theirs is the kingdom of heaven.*

*4 Blessed are they that mourn: for they shall be comforted.*

*5 Blessed are the meek: for they shall inherit the earth.*

*6 Blessed are they which do hunger and thirst after righteousness: for they shall be filled.*

*7 Blessed are the merciful: for they shall obtain mercy.*

*8 Blessed are the pure in heart: for they shall see God.*

*9 Blessed are the peacemakers: for they shall be called the children of God.*

*10 Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of heaven.*

*11 Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake.*

*12 Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you.*

*13 Ye are the salt of the earth: but if the salt have lost his savour, wherewith shall it be salted? it is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men."*

The verses you just read were spoken to the generation of the great nation.

\*

Acts 10:36

*"The word which God sent unto the **CHILDREN OF ISRAEL**, preaching peace by Jesus Christ: (he is Lord of all:)"*

So who are the people who live in Israel who claim to be the rightful owners of Israel right now? They are the descendants of Ashkenaz. They are known as Ashkenazi Jews. They are not of the great nation that came from Abraham, Isaac and Israel. I will give you biblical proof. Remember that Abraham is the descendent of Noah's son, Shem. Well, Ashkenaz is the descendent of Noah's other son, Japheth, who is said to be from whom white people descend.

Genesis 10:2-3

*"2 The sons of Japheth; Gomer, and Magog, and Madai, and Javan, and Tubal, and Meshech, and Tiras.*

*3 And the sons of Gomer; **ASHKENAZ**, and Riphath, and Togarmah."*

Certain people, who live in the surrounding areas, know that these Ashkenazi Jews are not the great nation who came from Abraham. And why has Jerusalem caused so much conflict for so many years? Why do different groups want control of Jerusalem? Because Jerusalem is where Zion is. This is where the city of David is. There is a supernatural power that comes from Zion. Zion is from where God sends power.

Psalms 110:2

*"The LORD shall send the rod of thy strength out of Zion: rule thou in the midst of thine enemies."*

Psalms 84:7

*"They go from strength to strength, every one of them in Zion appeareth before God."*

Psalms 20:1-2

*"1 The LORD hear thee in the day of trouble; the name of the God of Jacob defend thee;*

*2 Send thee help from the sanctuary, and strengthen thee out of Zion;"*

\*

Joel 3:16

*"The LORD also shall roar out of Zion, and utter his voice from Jerusalem; and the heavens and the earth shall shake: but the LORD will be the hope of his people, and the strength of the children of Israel."*

So now you know this, what happens now? The Bible has to be fulfilled. The Ashkenazi Jews are supposed to be there to fulfil scripture.

Luke 21:24

*"... and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled."*

The Ashkenazi's will be in Israel until their time is up. The Ashkenazi's will be in war with other nations . . . but when their time is up, they will have to flee.

Matthew 24:15-18

*"15 When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)*

*16 Then let them which be in Judaea flee into the mountains:*

*17 Let him which is on the housetop not come down to take any thing out of his house:*

*18 Neither let him which is in the field return back to take his clothes."*

These verses are talking about the people who will be living there at that time. It is said that about 80 percent of Jews around the world today are Ashkenazi Jews. After the anti-Christ/beast causes them to flee after the appointed time, the anti-Christ/beast's time will be up too. That is when Jesus Christ will return to earth to Zion. That is when the nations will destroy all weapons and make them into something useful such as gardening tools.

Micah 4:1-3

*"1 But in the last days it shall come to pass, that the mountain of the house of the LORD shall be established in the*

*top of the mountains, and it shall be exalted above the hills; and people shall flow unto it.*

*2 And many nations shall come, and say, Come, and let us go up to the mountain of the LORD, and to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for the law shall go forth of Zion, and the word of the LORD from Jerusalem.*

*3 And he shall judge among many people, and rebuke strong nations afar off; and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up a sword against nation, neither shall they learn war any more."*

As the whole world right now is going through a time of change, now you should know who is the true great nation that has the family line connected to a supernatural promise from God. You are the children of Abraham. Now you know who you are, it is time to worship the Father in spirit and in truth.

2 Chronicles 7:14-15

*"14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.*

*15 Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place."*

Those who are not of the family line of the great nation can receive the promise of God that he made with Abraham through faith in Jesus Christ.

Galatians 3:13,14.16-18

*"13 Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree:*

*14 That the blessing of Abraham might come on the Gentiles through Jesus Christ; that we might receive the promise of the Spirit through faith.*

*16 Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ.*

Revealed At Last

*17 And this I say, that the covenant, that was confirmed before of God in Christ, the law, which was four hundred and thirty years after, cannot disannul, that it should make the promise of none effect.*

*18 For if the inheritance be of the law, it is no more of promise: but God gave it to Abraham by promise."*

## Chapter 8

### Hated Royalty

Are you successful but hated? Are you a genuinely nice person but hated? You can't understand why you are hated; it doesn't make sense. Surely you would think people would be happy for you, or at least appreciate your hard work or where you are coming from! Instead they would rather you were a failure. They would be happy if you were poor, hungry and lonely.

What can you do? What's going on? Why won't they leave you alone? I have a message for you. They may never leave you alone. They may never stop hating you. At every given chance they may drag your name through the dirt. They may hear about all the good things you've done and turn them upside down, just because they hate you. I hope this message will help you understand why.

'Why are they doing this? I wish they would leave me alone,' you say. You have to realise how great you really are. You are not just great but exceptional. Those who hate you see you as someone who is higher or above them. Their very insults and lies are praise to you. They are acknowledging your greatness. These are the people who are under your feet. They fear that you will become successful. They hate your happiness. Their stomachs' burn and knot up when they see you become even more successful or praised by others. Haters are actually worshipping you as king or queen of their life.

Why would someone want to stop one person from being happy? Answer, JEALOUSY. They may want to bully you to try and make sure you don't become successful. It makes no sense to put so much effort into making trouble for an innocent person unless you are jealous of them. Jealous people may think about you all day while you are doing the things you want to do with nothing more on your mind than good things. Accept that you are their king or queen. You are above them. You may not have a visible crown, but you are real royalty to those who hate you – *especially* to those who hate you and don't know

## Revealed At Last

you or have never spoken to you. You have an invisible crown which is on your head right now!

Never let anybody's comments or words get you down. You know who you are. You say and know exactly who you are, so never ever think about or dwell on anything someone has said because you are great and cannot be criticised maliciously (in your world) by all the words in the world or any of the languages spoken on earth. Accept it, you are great. The greatest person you could ever be. Your life is your world. Criticism is good. It can help you better yourself, but don't let hate criticism affect your life.

As soon as you hear something negative said about you, always smile and say in your mind, *'Bless you my child. I know I am your king/queen . . . bless you.'*

People want you to argue back so they can really have a go at you and exaggerate what you have said, using your words in the wrong context. Remember that this is what they are after. I repeat again, smile and say in your mind, *'Bless you my child. I know I am your king/queen. Bless you.'* Sometimes haters need to be put in their place and need to be confronted, so choose your words wisely. 99 percent of the time, you do not need to respond to anyone. Your silence can frustrate them and expose them for who they are.

The problem with negative people is that they are "talkers" and not "workers".

If they stopped talking about people, they could work towards their own great success which is out there for them if they just stop talking about other people. The reason why they talk so much about other people is because they do not know who they really are. They cannot see themselves. If they did, they would be too busy fulfilling their life and enjoying their own life without worrying about what other people are saying or doing.

In life we all have bad times. If you go through hard times and the "talkers" seem as if they can curse you to the grave, just hold on and keep calm. It will only be a matter of time before your situation changes for the better and the "talkers" are put to

Peter Hutchinson

shame. They may cringe and feel sick as they limp around, weak and disgraced. They may insult you to make themselves feel “better”, but they will still be hurting badly inside so stand strong. Their weakness is exposed as soon as they speak. Don't worry . . . they may get tormented and won't sleep well because they will still be thinking about you. You, on the other hand, clear your mind and go to sleep in peace and comfort. Breathe in, breathe out and relax . . .

You are great. Keep living in happiness. Once again, remember to say in your mind, *'Bless you my child. I know I am your king/queen. Bless you.'*

You have inner peace inside you right now.

## Chapter 9

### **Bible Prophecy For The Weaponization of Space?**

Why have there been so many UFO reports lately? Will this make the governments of the world join together and boost large amounts of money for the weaponization of space?

If a one-world government system is to be run by the Beast and his people on earth, then why is the Hubble telescope facing AWAY from earth? And why are some satellites said to be facing away from the earth?

Dr Wernher Von Braun was a German rocket scientist. He was also an aerospace engineer, space architect, and one of the leading figures in the development of rocket technology in Nazi Germany during World War II and then in the United States. He is recognised as being the "Father of Rocket Science". Before Dr Von Braun died in 1977, he said the purpose for the weaponization of space is based on a lie. He mentions that "the powers that be" would need to weaponize space because of:

1. The Russians,
2. Then – Terrorists
3. Then – Third World Countries/Rogue Nations
4. Then – Asteroids
5. And finally – An Extra Terrestrial Threat (e.g Aliens. Non-human beings attacking earth)

According to Dr Von Braun, all five are said to be lies to be used for the public.

They may blame the need for space-based weapons on the return of the Anunaki or hostile aliens. The media generated a lot of fear and uncertainty in movies about December 2012.

This date has passed and, up until now, no aliens/extra-terrestrials have publicly made their presence known on earth.

Could the real purpose for weaponizing space be to prepare an attack against someone who said he was returning to earth?

Why are satellites facing away from the earth? Who are they looking for? Will the coming of Jesus be seen from afar by satellites and powerful telescopes?

2 Thessalonians 2:8

*"And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the BRIGHTNESS OF HIS COMING:"*

And when Jesus arrives, the space-based weapons will surely be used to attempt to fire at him first.

Here is an account of the preparation of the end-time war prophecy from heaven to earth.

Revelation 19:11-21

*"11 And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and MAKE WAR.*

*12 His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself.*

*13 And he was clothed with a vesture dipped in blood: and his name is called The Word of God.*

*14 And the ARMIES which were in heaven followed him upon white horses, clothed in fine linen, white and clean.*

*15 And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall RULE them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God.*

*16 And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.*

*17 And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God;*

*18 That ye may eat the flesh of KINGS, and the flesh of CAPTAINS, and the flesh of MIGHTY MEN, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great.*

*19 And I saw the BEAST, and the KINGS of the EARTH, and their ARMIES, gathered together to make WAR against HIM that sat on the horse, and against HIS ARMY.*

## Revealed At Last

*20 And the BEAST was taken, and with him the FALSE PROPHET that wrought miracles before him, with which he DECEIVED them that had received the MARK of the BEAST, and them that WORSHIPPED his IMAGE. These both were cast alive into a lake of fire burning with brimstone.*

*21 And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their flesh."*

If the earth is currently being run by wicked men and women who worship devils such as Molech, and are involved with human sacrifice and eating dead bodies . . . who would you expect to save the world from all this evil?

Jesus Christ will return!!!

The weaponization of space should give followers of Christ a WAKE UP CALL to know that Jesus will return and make war with those who want to have us live on a prison planet. Christ did not set us free to be enslaved!

I suggest that you don't take the MARK OF THE BEAST. The Saviour and his army are coming back to earth to put an end to the New World Order and all those involved with shedding the blood of innocent people.

Bible Prophecy is happening before your eyes.

Why else would the governments of the world need to weaponize space? Why would they need powerful weapons to face away from the earth?

Was Dr Von Braun incorrect about number 5, an "Extra Terrestrial Threat?"

Does this represent the return of Jesus? Do the governments of the world know about it and are they ready to fire missiles at Jesus and those who will return with him?

## Chapter 10

### The Matrix

We are all affected by the power of words. Without words, nothing happens. Even if you do not speak, words are in your mind as you think in silence. Words are the beginning of everything that happens in our lives and around us. In daily life we associate with people whose words we agree with and keep away from people whose words are in conflict with our own. Words are what bind us together or make us separate. Without words nothing happens.

John 1:1,3

*"1. In the beginning was the Word, and the Word was with God, and the Word was God.*

*3. All things were made by him; and without him was not any thing made that was made."*

Words are codes. They are like computer commands. The media has the ability to send to our brain words/codes that may make us think or act a certain way. When you accept the original pattern of life (the way of the CREATOR), the words that the media has sent to your brain through TV, music, films and magazines may be/should be (in some cases) in conflict with the CREATOR and his pattern of life.

A person's feelings are triggered mainly by how they think or by someone else's words. The words in their mind are codes to their happiness. To change the emotion of a person you would need to say certain words to that person, which the person's mind will then reject or accept. For example, you can try and cheer up a person who is sad. Your words (even though they were meant for good) could backfire if they are not the right words/codes to unlock and release the sadness from the person's mind. If the person smiles – genuinely – then the unlocking code (words) that you said worked and replaced the person's sadness with words that brought joy and peace. Words are everything and control outcomes in your life!

\*

## Revealed At Last

The whole purpose of this chapter is to show you how your words can affect a person in a positive or negative way and how words can affect you. It is also to show you that if you change certain words in your brain, you can unlock the code that turns sadness into happiness. Your words in your own mind can give you the confidence to change your situation for the better.

The woman who believed that by touching Jesus she would be healed was healed. Why? Because of the codes in her thoughts that said something like – *“if I touch this man my illness will go because I believe he is connected to the CREATOR in heaven”*. She believed her words and was healed.

People who have a clearer understanding of how this Matrix world works have more power over their own mind.

A person who understands the Matrix codes/words can use them in certain situations.

Matthew 8:16

*"When the even was come, they brought unto him many that were possessed with devils: and he cast out the spirits with his word, and healed all that were sick:"*

It says, *"he cast out the spirits with his word."* Without his word (unlocking code), the spirits would have not been cast out. Jesus needed to activate the word/code for the action to take place. Jesus showed us how to do it. He knew what words/codes to use.

This is known to humans as miracles or breakthroughs. What Jesus did was step into the Matrix and undo the code that had that person bound by evil spirits. Everyone at any time has the option to undo the Matrix/society control over their life by accepting the way of the CREATOR. When the word/code of the CREATOR is downloaded into your heart, soul, strength and mind, over time you should have the ability to undo the negative codes that affect your life.

John 16:33

*"33 These things I have spoken [WORDS/CODES] unto you, that in me ye might have peace. In the world [MATRIX/SOCIETY] ye shall have tribulation: but be of good*

*cheer; I have overcome [HAVE THE UNLOCK CODES OF] the world [MATRIX/SOCIETY]."*

(NOTE: I have included words in capitals to make you understand what I am showing you. I am not adding words to the Holy Bible)

Don't think that just because you may have accepted the Matrix "key holder" (Jesus Christ) you will not have hard times and good times. While you have a physical body, you will experience life's situations. Your mind is being gradually developed to be freed daily from the things with which the Matrix had control over you.

Romans 12:2

*"2 And be not conformed to this world (MATRIX/SOCIETY): but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God."*

We live in a world where the Matrix-media-society system lies and creates words/codes to make people feel less than themselves, so people are constantly bombarded with products that are supposed to make them feel better. Then they tell you what you have is now out of fashion and you need the next new fashion item. These codes need to be unlocked to set people free who want to be free, and who are controlled by "must have" product words/codes. The CREATOR'S word can set you free. With all you may be going through, he can provide one word. That word may heal your desperation for fulfilment or inner peace. That one word is "Love"!

Love is in you. It has always been in you, but the Matrix wants you to be distracted from the real love that is in you. The Matrix/society codes make some people self-harm, take drugs, hurt others, commit suicide, get breast implants or get completely drunk. With all the scrambled "must have" products and words/codes constantly in our faces, the love in you may seem non-existent. Love is like the power button on your computer. Without power you would not see anything on your computer. In other words, love has always been there and without it you would not exist.

In your life from this day onwards, know that you have love. Love will tell you the truth even if it hurts you . . . and when you are hurt you will understand what love was showing you. Then,

## Revealed At Last

when it is time for you to heal, love will be right there to heal and comfort you.

Be truthful to yourself and others. If you mistreat people you will be sending out the wrong codes. If we can all be honest to one another without being offended, then we have shown love and live in love. Words will always affect us all as we live in the Matrix (but not controlled by the Matrix).

Know that you are your word because the words you say come from you.

Remember, nothing happens without the Word.

John 1:1

*"In the beginning was the Word, and the Word was with God, and the Word was God."*

## Chapter 11

### Suicide

Here are some words that I hope will help you in your life from this day onwards.

Suicide is taking your own life or killing yourself by your own decision. What makes people think of killing themselves? The list is endless. There are so many reasons, but I will only list a few.

Victims of rape or mental abuse, arguments with your lover, a belief there is no way out of a situation, unable to pay credit card debt, unable to pay other money owed, believing you are too fat, believing you are too thin, believing you are ugly, believing you are useless, being bullied . . . This is just a tiny portion of and, maybe, the most common reasons people commit suicide.

To you, being raped may seem more serious than being bullied, yet people have killed themselves for both reasons. Also some people, having experienced both situations, kept on living. Read on with me as I hope to bring light and show you a new path you can take.

One of the greatest sayings that I have heard is, "Whatever is has already been, and what will be has been before." Some people have had arguments with their lover and killed themselves. There are some people who have had arguments with their lover and kept on living. Now that saying is true. What will be has been done before. In both arguments, their final actions have been done before. There is also the result from one of the arguments that the person kept on living. So if you are thinking of committing suicide for this reason or any other reason, know that not only can you keep on living, you can move on with your life and make it better, knowing that you are greater and bigger than any situation. You can find someone new. Your life is special and precious. Breathe in, breathe out.

\*

## Revealed At Last

The sad thing is, there are many people who let outward circumstances such as words or situations make them feel lower than they are. This is other people's or "society's" view of you and not your view of you.

You may be a very nice person, but because of your situation people look down on you. Just because they look down on you doesn't make their opinion of you right. You have to bounce their opinion back off you and continue being the nice person that you are.

Another person should not make you feel lower than you are because of their unkind and unhelpful words. That just opens up their heart for you to see what sort of words float around their head all day. Don't let their words bring you down. You should have your own good words floating around your own brain. You should have good things floating around your head, so much so that there is no room for another person's sad words.

Do you have good words about you floating around in your head? If not, right now is the time to put some in. Bad thoughts can leave your mind right now, and good thoughts can stay with you always. Now fill your mind with good things about yourself. Breathe in, breathe out.

One sentence that should always be floating around your mind is, "*I can get through this no matter what*". In the library of your mind, open the book with thousands of pages. The book is called *I CAN*. Even if you feel that you cannot do something, just read what is on the pages of that book. The words on every page, in big and small writing, say, "*I Can*". On every page, it is the same thing. *I can I can I can I can I can*. Even if improving your life may seem difficult to do, at least say, '*I CAN TRY*.'

So how can *I CAN* help you? Let's start with rape. Rape has happened before. It is not a nice thing. People have been raped for hundreds of years. It does not make it right. Whatever is has already been. Many people have survived rape and now live better lives. It was an incident that may have lasted a few seconds. Before the rape you were, most probably, fine. The person who did this to you has mental problems or no self-control over their actions. Everyone will be accountable for their

actions. This is a law that just happens and comes back around without human intervention, so don't worry.

What I suggest you do, is talk the whole situation (how you are feeling) out of you. Even if you don't want to tell another person, or you have no one else to speak to, just talk it all out of you. Even if you are on your own in a room, talk and talk and talk it out of your body and your mind. You will be surprised at the results. This may just take a few minutes. The only person who understands your situation in detail and in depth is you, so talk it out of you. How do you start? You start by saying from the beginning (even if you don't want to) the two words – *I CAN*. 'I can talk this out of me and move on with my life.'

Once you have talked it all out of you, you can move on with your life. Talk it out of you right now. Find a place where you are all alone, take a deep breath, and talk it all out of you.

Now it is all out of you, what have you got planned for yourself? You know what you like. Some people would like to look at birds fly or take up a sport or hobby, read or write a book, draw, take photographs, travel, start an evening course, make new friends, create something or even plan out what they would love to do in the future, or from now onwards. There you go. It's over! Once you have talked it out, you can move on. You are too great to be tied by an incident that was not for you. You are set free from that situation. You can now walk through the door into your new life. The new world to realising you are ok.

### **That New World Can Start TODAY!**

Any time that old situation wants to try and creep back into your mind, just tell it to stop and say, *'I am over it. I talked it out and I am over it. The door to my past is closed forever. That's not who I am now!'*

Another two words to remember are *"I AM"*. I AM is the present day. It is the present you. Not the past you, but the now, today, new, improved, refreshed you.

The other situations that may make a person think of committing suicide can be dealt with in the same or a similar way. For instance, *"I CAN sort out my credit card debt"*. You are not the only one with this problem, I can tell you that. Whatever

situation you are dealing with you must realise that you are not the only one going through it. People don't usually publicly talk about their problems because of embarrassment or the feeling that they are the only one who is struggling with the problem. I can tell you this, there are people today who are suffering with the same problem as you, and also have a number of other things to deal with. While you are stressing over your one problem, which you think is really major, there is someone else who is not stressed at all over many of the problems they face coming from all areas.

Think of yourself as a manager over your life. A manager of a company has to manage the whole company. You should be able to manage the company of your life. You must know that whatever the situation, you can deal with it. *Yes you can!* It may take seconds to come up with a solution or it may take longer, but whatever it is, you can deal with it. Just be at ease and in time the situation should change.

People who believe that they are ugly are living what they believe. I can tell you that some people who believe that they are ugly are more attractive than some people who think that they are good looking. So how can you deal with this? First say, *'I CAN believe I am attractive.'* When you continually say this and believe it, you reach the next step. Now say, *'I AM attractive.'* When you continually say this to yourself and believe the *"I AM"*, you become what you say. Next time you walk down the street, say in your mind, *'I AM attractive,'* as you walk. Notice yourself, subconsciously, start to smile. How do you feel now? While on your journey, some people may smile at you as they pass by because your attractive glow may shine out.

Even if someone says that you are ugly, it does not make that person right. Just bounce what the person said back off you and remember, *"I AM attractive"*. Why? Because you are! Breathe in, breathe out.

People sometimes commit suicide because they let outward circumstances affect them. *"Society"* or other people's view of you may be the cause of suicidal thoughts. *"Society"* has its problems, but you have solutions already inside you.

I personally believe a high percentage of people are stressed because of their own thoughts. Sometimes, just by

Peter Hutchinson

changing your thoughts, you can remove the stress you were under.

Another problem some people suffer from is trying to be with the *in crowd* or *in fashion* and *keeping up with trends*, rather than just being who you are. When you be who you are, *you are always in fashion, you are always the in crowd, you always keep up with your own trends, as you will always be you and live according to YOU, not "society"*. No stress there.

I hope what you have read has been helpful to you. Today you could begin a new you with a new outlook.

If you agree, today is the day of the new YOU!

Write down today's date and sign your name, knowing that the *NEW YOU* starts today.

*"I AM NOW* living a new life from today."

## Chapter 12

### The Blood Sacrifice

This final chapter explains what Jesus Christ has done for all people, of all colours and every nation on earth. To be saved by Jesus Christ or return back to him like the prodigal son, read and believe these words.

I bow and kneel before you as you hang on the tree.

Your open wounds slowly pour out blood.

Your blood drips gently on to the top of my head. It glides down my face.

Your pure blood slowly runs down my neck and pours down my back, chest and belly.

Your blood covers my arms little by little, to my hands and right to my fingertips.

As more and more blood comes from your body, it gently flows pass my waist and hips.

I take a deep breath.

Your blood slowly flows down my legs to my feet, then gradually to the tips of my toes.

Your blood covers me completely.

I believe that Jesus Christ, the Son of God, died for my sins.

I repent of my sins.

I have been washed by his holy blood.

Thank you Jesus Christ my Saviour.

\*

Revelation 1:5-6

*"5 And from Jesus Christ, who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood,*

*6 And hath made us kings and priests unto God and his Father; to him be glory and dominion for ever and ever. Amen."*

If you want to understand more about being saved, then get a Holy Bible and read 1 John Chapters 1 to 5. Everyone has sinned. Everyone has done wrong.

Everyone!

You are not alone.

Luke 15 verse 10

*"Likewise, I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth"*
