

Even though it seems like this world will not change but just get worse, at the right time it has to change. There will be many people who will wake up and live with the kingdom mentality and not a religious mentality.

Here again is the good news of the kingdom:

1. The kingdom is inside you
2. The complete spread of the kingdom is coming
3. Love the Most High God with all your heart, soul and mind.
4. Treat people how you would have people treat you.
5. Believe in the one who died and came back to life, Jesus Christ/ Yeshua.

If you accept what is written then the kingdom is in you and it is spreading.

Share this message so you can spread the good news of the kingdom.

What is the Gospel of the Kingdom?

The end cannot come until the
Gospel of the Kingdom is spread

What is the good news (gospel) of the kingdom?

The world has changed since 2020. For a number of years there have been reports that those who run the world want the world population to be reduced, meaning, killing off billions of people. As artificial intelligence is taking over a number of jobs, the depopulation conspiracy seems realistic now. So, are we getting closer to the end of an age?

Ancient text says

Matthew 24:14

“And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.”

Is the good news of the kingdom being spread to all nations? If so, what is it?

What I worked out is the good news of the kingdom is that:

1. The kingdom is inside you
2. The complete spread of the kingdom is coming
3. Love the Most High God with all your heart, soul and mind.
4. Treat people how you would have people treat you.
5. Believe in the one who died and came back to life, Jesus Christ/ Yeshua.

This to my understanding is the good news of the kingdom.

The kingdom is not about religion, it's not about colour, it's about people loving the Most High Creator and fellow humans to live in harmony with one another.

Why would the good news of the kingdom need to be spread out in the world? It is to give all who are willing the chance to know what the earth is going to be like at a

specific point in time and they can be part of it from now onward.

Matthew 24 says what the world would be like before the end comes.

It says,

- Don't be deceived by people
- Many people will be deceived
- There will be wars and rumours of wars
- Nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pandemic diseases, and earthquakes, in different places.
- Many false prophets shall rise, and shall deceive many (many youtube false prophets exist now)
- As some of humanity falls further away from morality (Epstein Files), the world in some places will become more selfish.

Even if people hear the good news, many will ignore it and carry on with their life believing nothing will change.
