

# Hillians Netball Club

## COACHING & COACHING PROGRESSION

Are you passionate about netball and keen to guide young players? Coaching provides the opportunity to share your knowledge, make a positive impact, foster teamwork and friendships, and play an important role within our community.

It's a wonderful way to stay connected to the sport you love, remain active and engaged, support families, and strengthen club spirit. Best of all, coaching is incredibly rewarding and fun — from seeing a player score their first goal, to mastering a new skill or growing in confidence.

Hillians are always looking for coaches! We are committed to supporting our highly valued coaches through a clear development pathway, with access to annual learning opportunities, coaching resources, mentoring, and ongoing support.

For more information regarding becoming a coach please contact Hillians Netball Club Coaching Coordinator at [hillians.coaches@gmail.com](mailto:hillians.coaches@gmail.com)

### FOUNDATION

For beginners, parents, and Woolworths NetSetGO coaches, focusing on introductory skills and techniques. There is no age requirement to complete the Foundation Accreditation and the course is primarily online it is a requirement by Hillians Netball Club Inc that all our coaches have at least completed the Foundation Coaching Accreditation.

### DEVELOPMENT

For club/association coaches, blending online learning with practical workshops to teach skill progression and fault correction. Recommended for coaches who are coaching Hillians Netball Club Inc Junior & Open Teams.

### INTERMEDIATE

For coaching representative teams, building on foundational knowledge with more advanced techniques.
