Dear Praying Friends and Family,

As we come to the final quarter of the year, the burden to accomplish more for the Lord remains the same! We are constantly praying for the advancement of the Gospel, church planting, and revival. We pray for God to touch the hearts of men to surrender to full time service. It is not without challenges! We see fields that are ready for harvest, but the laborers are few. Pray therefore, that the Lord of the harvest will send forth laborers. To our dismay, we are faced with the resignation of one of our national church planters. Please pray for the Lord to provide a new pastor for the flock.

"Faithful is He that called you, who also will do it. Brethren, pray for us." 1 Thes. 5:24-25

Family: After being granted Ghanaian citizenship, I have been able to obtain a Ghanaian passport. This makes my yearly renewal of residency unnecessary, hence saving time and money. Antoinette celebrated 56 years of life in November. She has fully recovered from pre-diabetic/insulin resistance. Thank you for your prayers! This Christmas season, we have the wonderful privilege to spend Christmas and the New Year with our adult children and Mari, the fiancé of our son Fredrick and her mother Alessandra, in Waco, Texas. We have had a wonderful time so far! Please pray for strength and comfort for our family and for my sister-in-law, Dede, who lost her husband, John Birikorang, on October 6 here in Ghana. Pray for souls to be saved as I preach the gospel at the funeral in March of 2026.

Ministry: I led a young man called Steven to the Lord, who came to the church with desperate personal need! He was overjoyed! I gave him a KJV Bible, Anchor of the Soul discipleship books and High Impact journal. Pray for Steven to grow spiritually in the Lord!

We held our annual BOTH (Because of The Hour) Conference in October. Our theme was based on Il Cor 5:20b: God has given unto us the ministry of reconciliation. We were challenged by our keynote speaker, Dr. Emmanuel Bayala, to purposefully set goals to win souls for Christ, follow up and disciple and bring the new converts to church. Following the conference, our church members set a goal to bring a total of over 200 people to church in the upcoming year. A total of 62 souls were led to the Lord during the daily soul winning times of the conference. Pray for successful follow up!

Our conference break-out sessions were on church administration, drug addiction, prison ministry, Bible study using AI, and health and nutrition, and Gospel tract writing competition. Our very own Dr. Martha spoke on health being our wealth, and Brother Prosper presented a topic on the use of music in the church. We gave out Thompson Chain KJV study Bibles, Bible Visual International Sunday School Lessons, Good and Evil comic Bibles, High Impact journals, pulpit KJV Bibles, The Church Administration book written by Rev. Francis Ackah, and thousands of Johns and Romans to pastors, teachers, workers and the youth. We saw the Lord provide miraculously for the expenses of the conference! It was a great success!

Our 14th annual Christmas orchestral worship and celebration service was a great success. A dramatic presentation entitled

"Quick Money, Slow Death" written by our son Michael was performed by the students of our literacy program – LEAP. It was a story about gamamsey, or illegal mining in Ghana, West Africa. A family learns to trust Christ to provide for their needs during hardship and temptation in an illegal mining town. A powerful gospel message was preached. Over 150 people were in attendance. Five got saved. It was a time of worship, revival and rededication. Bibles were given to those who attended! Pray as we plan and prepare for next year's program to be held for multiple days. Pray for the nation of Ghana. Most of our water sources and food are contaminated with toxic chemicals from illegal mining. We may have to buy our drinking water from neighboring countries by the year 2030. Please pray for God to change the greedy hearts of all people involved in illegal mining.

Praise Reports:

- Two people were baptized this quarter and have enrolled in discipleship classes with the other five. Pray for them to grow in the grace and knowledge of our Lord and Saviour Jesus Christ.
- A young man in our community enrolled in our weekly Bible institute. Pray for his faithfulness.
- We prayed and dedicated our temporary church building on the opening day of our BOTH conference.
- Our adult men are studying and teaching the book of Acts and the adult women are studying and teaching the Book of Genesis.
- Brother Bob Bishop from California came to visit and fellowship with us.
- Mrs. Pearl Annoh, our dear friend from People's Baptist Church in Fredrick, Maryland, came and joined us for worship this past Sunday. She shared her salvation testimony and the goodness of the Lord concerning her health and gave candy to the Sunday school children.
- Our people contributed towards the purchase of a new tire and a new battery to replace the stolen battery of one church bus. We need to replace three engines with new or used ones. We need to completely restore our personal and ministry vehicles. Any amount given towards this project would be much appreciated. The total cost is estimated to be about \$35,000. We are praying and trusting the Lord to provide!
- We were able to sponsor the total dental reconstruction of a faithful national pastor.
- After many months of praying and reporting to the Ashaiman municipality, the city finally removed a detestable public urinal in front of our church entrance. Our neighbors fought with us! They also cleaned the clogged and filthy gutter just before we started the BOTH conference! The Lord indeed hears our prayers and fights our battles for us!

Prayer Requests:

- Strength, and wisdom for the pastors of the Bediako and Zenu churches.
- Successful upcoming ACE school training in Durban, South Africa, as we prepare to open LEAP Christian Academy in September 2026.
- Upcoming missions conference at the beginning of the New Year. We are looking to take on Mr. Awumey for support, a missionary for Ghana Rock of Ages Prison Ministry.
- Planning and preparations for our furlough in 2026.
- Pray for the spiritual growth of all the young men and women we continue to reach with the Gospel through Bible Institute, Sunday school, discipleship, Bible clubs, school chapels, and the literacy program. Pray for them to continue to develop a heart for the Great Commission by giving, and serving with their time, talent, testimony and treasure.

Through it all, we have learned to trust in Jesus and depend on His Word as we faithfully serve the Lord. Merry Christmas and a Happy New Year! As always, thank you for giving us the privilege to partner with and be the extension of your hands as we share the Gospel of Jesus Christ to the people of Ashaiman in Ghana, West Africa. Thank you for your prayers and support.
