

Sodus Bay Heights Golf Club 2026 New Membership Promotion

Sodus Bay Heights Golf Club is pleased to present our new member discount program for the 2026 golf season. For new members we are offering 20% off 2026 and 10% off 2027 dues! This is an exceptional value with no commitment beyond 2026. This promotion will begin effective September 1, 2025 with each new member having **immediate** access to all club facilities upon receiving 50% of their discounted member dues.

We continue to experience a renewed public interest in golf and have had successful membership drives in the past few years. As a result, our membership roll is filling up. We have only a limited number of memberships available and when they are filled new members applicants will be placed on a wait list. This is your best opportunity to enjoy exceptional golf at the area's premier semi-private club.

We understand there are other golfing options available, but here at SBHGC we offer more than just a great golf course. We offer a **golf club** atmosphere where members make a difference, and our membership is the absolute best! This is a friendly place where members mix frequently and freely. There is no "royalty" here; you don't have to prove yourself to enjoy the company of the members.

The guys play a foursome game on Tuesday, Thursday, and Saturday mornings and it's open to all members with a simple sign-up sheet. You get to play with different members every time which enhances the development of relationships throughout the club. In addition, there are exciting 18-hole and 9-hole Men's leagues which play on Wednesdays using full handicap indexes. The 18-hole league begins in the morning with the 9-hole league for the after-work group. Women's leagues play on Tuesday morning and Thursday afternoons, with a Tuesday afternoon program for beginning golfers with an emphasis on non-judgmental golf and fun. Without question, leagues are a great way to meet and play with other members. There is a league for any skill level, from single-digit handicapper to beginner. We'll even find you a partner!

As a member, you have unlimited access to the golf course and tennis/pickleball courts. Tee times are reserved for members and their guests before 12:00PM. The golf club does not allow outside leagues, which makes for greater course accessibility during the week, when other local golf courses are filled hosting leagues. Additionally, members have access to play in our extensive tournament and social golf schedule including the opening day tournaments, the Reserve Cup, member-member tournaments, Invitationals (member-guest), club championships, and our very own Ryder Cup-like event.

Our facilities include our fully stocked Golf Shop, grass tee driving range, two putting greens and a short game practice area with sand bunkers. Our PGA Head Golf Professional, Andrew Smith and his staff provide service that rivals the most prestigious golf clubs in the area. The sweeping views from The Dunn's at the Heights Restaurant and Banquet Facility of the first and tenth fairway, along with Sodus Bay creates a very special dining experience.

If you would like a member to guide you through your membership and first few games, please let us know, and we will certainly connect you. We are all looking forward to welcoming you to our club!
