2027 Membership & Incentive Drive

New member promotion ends on 12/31/2026

2026 was another incredible! Course conditions and weather have been outstanding. We continue to improve our course conditions (tree removal, Phase #2 of Tee Renovation Project), equipment purchases (Greens Mower & Tractor) and Club House improvements (Locker Room Renovation & Kitchen Equipment). We were able to do these things because of the incredible job you did in recruiting new members and your donations. We have a limited number of memberships available for 2027 and we want you to help us fill those with your friends and family.

We added 46 new members in 2026, 42 in 2025, 39 in 2024 and 30 in 2023. About 79% of those new 2025 members stayed for 2026 and we expect similar results for 2026. That means that we are nearing full membership and now is the time join.

To ensure that we maintain and expand our membership in 2027, we are helping you recruit your friends by offering them a great discount and continuing a referral program. New members can join before the end of 2026 to lock in the 2026 rates for the 2027 season and get to play the remainder of 2026. This promotion is only good until the end of 2026. Once 2027 hits, new members will be joining at full dues. The referring member, you, will get a credit applied to your club account based on the membership class. This credit is available both during the new member promotion period and the 2027 season.

The specific numbers for each membership class are on the following page. You may refer more than one member and the same discounts and restrictions apply. The total credits may not exceed your membership dues meaning that if you refer enough new members, you could get a free membership (but we will not pay you if you refer more).

Increasing our membership base is the key to our continued success. Public play has always been a vital contributor, but the members are the strength of our club. Thanks for your help.

The application is on the website, https://www.sodusbayheights.com/membership. The new member may complete it online, download it or pick one up and bring it to the Golf Shop or Business Office. With a down payment of 50% of their dues, the new 2027 member can start playing as a member on September 1, 2026.
