# SIGNATURE SANDWICHES

Each of our signature sandwiches is tested and designed with a special flavor in mind. Substitutions, changes, and additions may always be made, but just as our life choices come with a price, so do changes in our sandwich choices.

 **TWISTED BLACK BEAN BURGER 10.80 / 12.30**

An amazingly delicious but healthier choice for our veggie eaters and a favorite among many of our burger lovers, too!

We top our burger with sweet chili mayo, super food slaw, and Swiss cheese and serve it inside a super tasty grilled pretzel roll. A burger like no other!!

 **BEEF EATER CLUB 11.30 / 12.80**

Hailed as the "man sandwich" of Kiss the Cook. We don't know about that, but it sounds good! We pile layers of roast beef, turkey, bacon, Swiss cheese, and our special blend creamy horseradish sauce between two slices of organic (just try it) wheat bread and grill it crispy.

 **PIXIE HAMMY HOT DOUBLE WHAMMY 10.80 / 12.30**

This big kahuna boasts layers of ham, bacon, melted Swiss cheese, and ranch dressing. We smash it and heat it between slices of homemade white bread...then we grill it to crispy and dust it with powdered sugar for the finishing touch. Whew! Just like the name, it's a mouthful!

 **GRILLED TUNA MELT 8.90 / 10.40**

Our delicious old school tuna salad with melted cheddar cheese. Grilled on homemade white bread.

 **GRILLED PIMIENTO CHEESE 9.20 / 10.70**

Our homemade version has just the perfect amount of kick to make it stand out in its field and let you KNOW we don't play around when it comes to flavor. Suggested on homemade white bread.

 **JALAPENO POPPER GRILLED CHEESE 9.20 / 10.70**

Cheddar cheese, cream cheese, jalapeño peppers, and bacon unite on grilled organic wheat bread to form what we believe is THE most delicious grilled cheese sandwich to ever hit a plate at KTC!

 **JUST GRILLED CHEESE PLEASE 5.70 / 7.20**

Children are brutally honest, so we let them judge this one. Word on the street..."No one makes a grilled cheese like Mrs. Libby!" And THAT is a compliment! Homemade white bread is suggested.
