A Note From Fr. Hemann

St. Joseph is excited to welcome internationally acclaimed Irish tenor Mark Forrest to St. Joseph on Sun., Sept. 6, 3 p.m. for a concert. The concert is free, but a free will offering will be taken.

Forrest, who has performed in concert halls and cathedrals around the world, has performed for figures such as Pope John Paul II, Mother Teresa, Charlton Heston, and Maureen O'Hara, yet his mission extends beyond music. Inspired by profound personal trials, including the loss of his infant son Francesco and the ongoing challenges faced by his son John Patrick, who lives with severe disabilities, Mark and his wife Muriel founded the Faith and Family Foundation in 1999. Through his concerts, inspirational music, and the Foundation's outreach, Mark promotes the dignity of every human life, supports individuals and families with special needs, and encourages a deeper appreciation of faith and family. All proceeds from his performances and recordings benefit the Foundation's charitable work, which includes awards programs and publications offering hope and encouragement to families facing difficult circumstances.

When I was Pastor of Holy Cross in Sioux City, Mark put on an awesome concert which touched the hearts of a packed church. We have become good friends even doing events in Ireland. I can attest to his incredible musical skill and solid virtuous character. Please join us for an unforgettable evening of beauty and depth!
