The screenshot shows the homepage of the Colorado General Assembly website. The header features the Colorado state seal and the text "Second Regular Session | 71st General Assembly Colorado General Assembly". Navigation links include "SESSION SCHEDULE", "BILLS", "LAWS", "LEGISLATORS", "COMMITTEES", "INITIATIVES", "BUDGET", "AUDITS", "PUBLICATIONS", and "AGENCIES". A search bar with a "Q Apply" button is also present. The main content area displays a large image of the Colorado State Capitol building under a clear blue sky. Below the image, the text reads "The 71st General Assembly" and "The Second Regular Session of the Seventy-first General Assembly convened on January 10, 2018 and is scheduled to adjourn on May 9, 2018". A small photo of Speaker Crisanta Duran is visible on the right. At the bottom, there are four icons with labels: "Find My Legislator" (two people), "Watch & Listen" (megaphone), "Find a Bill" (gavel), and "Prior Sessions" (document).

HOW LAWS ARE MADE

1. Legislators have bills drafted, which are then given a number and assigned to committee(s).
2. **Committee hearing(s):** Bills must be passed by committee(s) to continue; *this is the only opportunity for the public to testify.*
3. Bills are passed on 2nd Reading (amendment phase) and 3rd Reading (final passage).
4. Repeat steps 2-3 in the other chamber (*bills keep their original number*).
5. The Governor has 30 days to sign or veto the bill; once it becomes law, it is called an “Act.” (If no signature or veto, it becomes law.)

EXTRA STEPS FOR BILLS WITH A COST

- If a bill requires funding, it will have a “Fiscal Note” which explains what the cost is and tells where the money will come from (*fees, federal funds, state General Fund, or grants*).
- If the bill requires more than \$3,000 of state funding, it will be assigned (“referred”) to the Appropriations Committee. *No testimony is allowed in a hearing of this committee.*
- If a bill passes the Appropriations Committee, it will have an “appropriations clause” added.

BPW'S PROCESS FOR ADVOCACY

- Bills are selected for review based on BPW Colorado's **Advocacy Platform**.
- The Legislative Bills Subcommittee, which has at least one representative from each chapter, meets during the legislative session.
- This committee determines BPW's positions on selected bills – and sometimes also on ballot issues.
- BPW's positions are shared with the Women's Lobby of Colorado, which does most of the lobbying.
- Occasionally, BPW focuses on one or two key bills and advocates directly with legislators on them – *watch for Action Alerts*.

BPW ADVOCACY PLATFORM

"BPW WILL EMPLOY EDUCATION, ADVOCACY, MONITORING, AND TRACKING STRATEGIES TO MEET THE PRIORITIES"

PROPOSAL FOR ADDITION TO BPW CO ADVOCACY PLATFORM

Add to the Human Rights section:

Support the privacy rights of women, especially in regard to their personal data and health care and previous sexual and relationship history.

[This will be made as a motion at the Business Meeting this afternoon.]

ANY OTHER SUGGESTIONS FOR ADDITION TO ADVOCACY PLATFORM?

Remove from the Health Equity & Justice section:

“Health education funding for women’s and girl’s health issues.”
