Subject: Official resignation

Good morning hope you all are well and in good spirits. This is my official resignation and my last shift will be February 4th 2022 as I've been hired on with mad River township fire department. My scheduling and advancement opportunities with Central township coming in the near future and my new department mad River township will contradict my commitment to Jefferson township and I don't think its fair to keep my position. I appreciate everything everybody has done over the last year for me and I thank all of you for the experience added to the existing experience I've already had over the course of the last 10yrs and the fun memories, It's been fun it's been real and this is something hard for me to do but I need to focus on my future advancements with central township along with my new position at mad River township. I hope this does not find you guys thinking of me less but I'm choosing this for opportunities to improve myself. January 23rd, January 29th, and February 4th will be the last three shifts at Jefferson township for me. I wish everybody well and will be glad to answer any questions that any of you may have thanks again for everything !

Respectfully,
F.F Robert Cook (Cookie)
