BOARD OF TRUSTEES
JEFFERSON TOWNSHIP, MONTGOMERY COUNTY, OHIO
RESOLUTION NO. 26-071

WHEREAS, the Board declared its intention concerning the Property by Resolution No. 26-054 adopted the 7th day of April, 2026; and

WHEREAS, the property owner, lienholders of record, if any, and other interested parties as determined by the Township's legal counsel after title examination, were notified of the Board's intention to demolish and remove the structure(s) situated on the Property as required by law; and

WHEREAS, no owner of Property or other interested party has timely requested a hearing in response to the Notice of Intention to Demolish a Dangerous Structure issued by the Township, nor have the dangerous conditions at the Property been remediated; and

WHEREAS, the Board is memorializing its order concerning the Property via this formal Resolution; and

NOW, THEREFORE, by the Board of Trustees of Jefferson Township, Montgomery County, Ohio:

Section 1. The Property located at 185 S Lansdowne Avenue, Dayton, Ohio 45417, Parcel No. G29 18203 0046, titled in the name of Tasha Mullins, has been declared insecure, unsafe, dangerous to life and health, and unfit for human habitation by a duly authorized Fire Code Official for Jefferson Township.

Section 2. The dangerous conditions at the Property have not been remediated by the Property owner, and the Property owner, lienholders, if any, and other interested parties have been provided with, as required by law, notice of the violations and an opportunity for a public hearing on the matter.

Section 3. No owner of the Property, lienholders, if any, or other interested parties have timely requested a hearing on the Board's declaration of its intent to demolish and remove the dangerous structure(s) situated on the Property.

Section 4. The Board hereby directs the Township Fiscal Officer and the Township Zoning Administrator, or the duly authorized agents or appointees of these Township Officials, to take all action necessary to have the dangerous structure(s) situated on the Property demolished and removed as soon as possible to protect the health, safety, and welfare of the citizens of the Township.

Section 5. Pursuant to Ohio Revised Code Section 505.86, the total costs incurred by the Township, or its duly authorized agents or appointees, in the demolition and removal of the structure(s) situated on the Property may be collected by one of the following methods:

1. The Board may have the fiscal officer of the Township certify the total costs, together with a proper description of the land, to the county auditor who shall place the costs on the tax duplicate. The costs shall be a lien upon the lands from and after the date of entry; or

Ohio Revised Code Section 3737.41

- (A) If the fire marshal, an assistant fire marshal, or any certified fire safety inspector, upon an examination or inspection, finds a building or other structure, which for want of proper repair, by reason of age and dilapidated condition, defective or poorly installed electrical wiring and equipment, defective chimneys, gas connections, or heating apparatus, or for any other reason, is especially liable to fire or endangers life or other buildings or property, such officer shall issue a citation and order such building or structure to be repaired, torn down, demolished, or materials removed, and all dangerous conditions remedied.
- (B) If such officer finds in a building or upon any premises any combustible or explosive material, rubbish, rags, waste, oil, gasoline, or inflammable conditions of any kind, which are especially dangerous to the safety of persons or such building, premises, or property, he shall issue a citation and order such materials removed or conditions remedied.
- (C) If such officer finds that any building, structure, tank, container, or vehicle used for the storage, handling, or transportation of flammable or combustible liquids, or of liquefied petroleum gas, or the pumps, piping, valves, wiring, and materials used in connection therewith, are especially dangerous to the safety of persons or such building, structure, tank, container, or vehicle, he shall issue a citation and order such condition remedied.

Ohio Fire Code
(I) Section 110
Unsafe Buildings

- (1) 110.1 General. If during the inspection of a premises, the fire code official finds a building or structure or any building system, in whole or in part, constitutes a dangerous condition described in paragraphs (A)(B) or (C) of section 3737.41 of the Revised Code, the fire official shall issue a citation or orders to remove or remedy the conditions as shall be deemed necessary in accordance with this rule and shall refer the building to the building department for any repairs, alterations, remodeling, removing or demolition required.
- (a) 110.1.1 Unsafe conditions. Structures or existing equipment that are or hereafter become unsafe or deficient because of inadequate means of egress or which constitute a fire hazard, or are otherwise dangerous to human life or the public welfare, or which involve illegal or improper occupancy or inadequate maintenance, shall be deemed an unsafe condition. A vacant structure which is not secured against unauthorized entry as required by paragraph (K)(311) of rule 1301.7-7-3 of the Administrative Code shall be deemed unsafe.
- (b) If the fire code official finds an unsafe condition as described in this paragraph that is especially liable to fire or endangers life or other buildings or property, such fire code official shall issue a citation and order that the responsible person take all necessary remedial actions as required by section 3737.41 of the Revised Code.
- (c) If the fire code official finds an unsafe condition as described in this paragraph that violates specific provisions of this code, such fire code official shall take such enforcement actions as provided for in this rule including but not limited to, the issuance of a citation pursuant to section 3737.42 of the Revised Code.
- (d) 110.1.2 Structural hazards. When an apparent structural hazard is caused by the faulty installation, operation or malfunction of any of the items or devices governed by this code, the fire code official shall immediately notify the building code official in accordance with paragraph (I)(110.1) of this rule.
