

ATM/Debit Card Opt-IN Form

Imagine these scenarios:

You're in the grocery store check-out line with a cart full of groceries. You swipe your card and it is declined.

You're out of town at a gas station and you need to fill your tank. You go to pay with your debit card at the pump and it is declined.

You're out of town and need some cash. You go to an ATM, use your card and it is declined.

There are times in life that your checking account balance is at or near zero and your card won't allow you to make purchase or a cash withdrawal. You may have made a mistake in balancing your account, a debit comes out of your account sooner than expected, or you are just one day away from payday.

By simply Opting-In to Kentland Bank's Overdraft Pay Plus below, each of the above scenarios could have resulted in the successful completion of the transaction! Best of all, there is no cost to sign up and there will never be a charge if you don't use this service.

The purpose of Courtesy Overdraft Pay Plus is to cover inadvertent overdrafts. Normal overdraft fees (\$30 per occurrence) apply and will be deducted from the available overdraft limit. You agree to make a deposit sufficient to cover the overdraft within 30 days. We reserve the right to refuse to pay any overdrafts at any time. Returned item fee is \$30 also. This fee applies to overdrafts created by check, in person withdrawal, ATM withdrawal or other electronic means.

Please fill-out and submit the form below. Should you have any questions, please contact any of our 5 banking locations.
