Meet Our Newest Team Member: Mr. Ted E. Bear!

We're excited to welcome the latest recruit to the team: Mr. Ted E. Bear. He's small, fluffy, and unlike some of us on a Monday always smiling.

Ted rolled into the depot on day one full of enthusiasm... and absolutely zero PPE. Not a vest, not a hard hat, not even a pair of tiny steel-caps. Shocking behaviour from someone made of 100% polyester.

Naturally, we gave him the standard welcome chat about how PPE is kind of a big deal around a trucking yard – you know, the whole "things here actually move" situation. Ted may be soft, but safety isn't, so he's now undergoing an intensive (and slightly embarrassing) high-vis fitting session.

Let Ted's first-day mishap be a reminder to us all: if even a teddy bear needs PPE, the rest of us definitely do.

And yes he still insists his call sign is "Fuzzy Rider." 🎁 トラック
