Lucas Henderson (Sydney Branch Manager) representing 2/17 RNSW Army reservist unit participated on July 11th in the Vidal Challenge, it is in memory of Constable Aaron Vidal who was both a member of the NSW Police and an Army reservist who tragically died on his way home from work – the challenge raises money for NSW Police Legacy a very worthy cause for our brave Police officers who put their lives on the line each day.

There was about 45 competitors who participated and Hendo took it out with the quickest time. 13:03 – 2025 and 2024 was won by the police, so it is back now in Army hands.
