A heartfelt thankyou

I am writing on behalf of the Mildura Pottery Club to express our sincere thanks and gratitude for the support you have given the pottery club over the last few years in the form of freight deliveries for our clay and materials and also your assistance during the flood situation in 2022-23 when the Pottery Club finished up under several metres of water and other heavy equipment had to be moved to alternative storage until the flood subsided. As a mark of our appreciation and to say a very big thank you, members of our club have commissioned a small ceramic platter featuring the logo of Pickering Transport. We hope this gift brings you and your staff pleasure for years to come, and we look forward to working with you into the future.
