

October 7, 2026

Dear PlayTC Sports Participants,

Over the years, it has been our privilege to serve you in our adult and youth sports leagues. Your participation, from a game-winning basket to a kicked home run, embodies the strong sense of community that makes The Colony such a special place to live and play.

To that end, in order to ensure we can preserve the quality and affordability of our leagues in the current financial landscape, the Parks and Recreation Department, including Athletics, is making several adjustments to our community programs, including our sports leagues. These changes have taken effect **October 1, 2026**, coinciding with the start of our new fiscal year:

- **Jerseys and Sponsorships:**
 - **Youth Basketball and Youth Volleyball:** Jerseys will be provided for the **final time** during the upcoming 2026-2027 Winter Basketball season. Following the season, they will no longer be provided directly by the department. We are actively seeking corporate and community sponsors to help offset these costs moving forward. Athletics will provide families with jersey vendor contacts in advance of the Summer Basketball season.
- **Practice Schedules:**
 - **Winter Youth Basketball:** Practice allotments will transition from two 1-hour practices per week to one 1-hour practice per week.
 - **Summer Youth Basketball:** Scheduled practice will be held for 1-hour weekly during the first three weeks of the season. Any additional practices may be organized at the coach's discretion.
- **Adult League Updated Seasonal Schedule and Offerings:**
 - **Basketball:** Transitioning from two seasons to one season a year. **Offered in Summer.**
 - **Kickball:** Transitioning from three seasons to one season a year. **Offered in Spring.**
 - **Indoor Volleyball:** Transitioning from two seasons to one season a year. **Offered in Winter.**
 - **Sand Volleyball:** Offered in Summer.

These updates were not made lightly, but they are necessary steps to remain fiscally responsible while keeping our overall programs sustainable and active. Please note that we are actively exploring potential sponsorships for both our adult and youth leagues.

We deeply appreciate your continued support and understanding during this time of change. Please reach out to our Athletics staff if you have any questions.

Sincerely,

PlayTC Sports
