### **SAFETY AWARENESS:**

Our campground is always full of children, elderly people, and pets. With cars parked at campsites on both sides of the roadway there is very limited visibility and reaction time to stop in an emergency. This is why there is a 5MPH speed limit!!! We understand 5MPH is slow, so we give a grace up to 10MPH. Drive safe and drive slowly, don't force us to make your stay with us an unhappy one.

**Thank you for visiting Laurel Lake Camping Resort where memories and friends are made.**

**Sincerely,**

**LLCR**
