A negative stigma makes your church's financial support for the treatment of mental illness at Bethesda Christian Counseling all the more precious to us. Your contribution makes it possible for your neighbors and family members to access the unique offering of Christian mental health care provided in a Christ-centered environment.

As therapist and staff at Bethesda we are privileged to see the lives of those we serve achieve meaningful and productive lives and healthy relationships. We have the unique opportunity to see lives changed by the work of the Holy Spirit through time-tested therapeutic interventions.

Thank you for your financial support and prayers that make this an ongoing reality.
