## ST. MARY'S SOCIAL JUSTICE GROUP SCHOOL SUPPLIES NEEDED

St. Mary's Social Justice group will once again be collecting school supplies for needy children in our community.

Education is one of the best ways to overcome poverty and we want all the children to have what they need to succeed in school.

Please consider donating one or more of the following items:

- Loose leaf paper (wide ruled)
- Spiral notebooks (wide ruled)
- Composition notebooks (wide ruled)
  - Folders
  - Children's scissors
- Small boxes of crayons (16 or 24 count)
  - Glue sticks
  - Plastic pencil boxes
  - Expo markers
  - Washable markers
- Pencils (regular and colored)
- Small packs of tissue (Kleenex)

**Items will be collected through August 27th and can be left at the side altar.**

All donations will go to the elementary schools of the Windsor and Susquehanna Valley school districts.

### **The National Collection for the Retirement Fund for Religious will be held on the weekend of August 12th—13th.**

The funds donated to this collection go to religious communities across the nation who face the critical task of caring for their elderly and retired men and women. Most congregations depend on this assistance, since the number of elderly religious far exceeds the number of religious who are able to serve in active ministry.

Please be as generous as possible; any and every gift is deeply appreciated.

**Envelopes are available in the vestibule.**

## CHAPTER 11 UPDATE

Dear Parishioners,

As you know, in June 2023 our diocese filed for reorganization under Chapter 11 as part of the process of dealing with the claims brought against the Diocese of Syracuse by the victims of sexual abuse.

Since that time, there have been a series of mediation sessions with the Official Committee of Unsecured Creditors consisting of survivors of abuse, as well as the insurance carriers and the Diocese of Syracuse.

The parties have agreed that the Catholic family (the Diocese, Parishes, and Catholic entities) will pay One Hundred Million dollars to a Victims Trust Fund which will provide payment to all survivors of sexual abuse by clergy, religious, lay employees and volunteers. Our Eastern Broome Parishes will be contributing toward this settlement.

More information about this settlement can be found in the Bishop's letter and the question and answer sheet contained in today's bulletin. You may also view a message from Bishop Lucia at <https://youtu.be/EvQ-Tff8yVY>.

We must not forget the great pain and suffering endured by the child and adult victims of sexual abuse within our Catholic Family. It is a horror and trauma which lasts forever. Hopefully, reparations will aid in healing in some way. We need to continue to pray for healing for victims and their families. We also need to ask for and pray for forgiveness as a Church.

I have met with the Parish Trustees of each of our parishes and soon we will be meeting with our Finance Councils. I will keep you updated as the process moves forward.

Each of our parishes has the resources to meet this challenge. We are a people of hope and resurrection. We will weather this storm and move forward together. If you have any questions, please contact me or consult the diocesan website.

Peace,

Barbara Kane  
Parish Life Director

## ROMAN CATHOLIC DIOCESE OF SYRACUSE

OFFICE OF THE BISHOP

240 E. ONONDAGA STREET, SYRACUSE, NY 13202-2608

July 27, 2023

Dear Diocesan Family,

Peace be with you! Today, I write to announce that the Roman Catholic Diocese of Syracuse and the Official Committee of Unsecured Creditors in our Chapter 11 case for reorganization have come to an agreement concerning the contribution to be made by the Diocese of Syracuse, including its parishes and entities to the Victims' Trust Fund. Both the Diocesan Finance Council and the College of Consultors have given their assent to this action. The amount of the contribution will be \$100,000,000.

I can tell you as shocking as the settlement amount may seem to leaders of our own parishes and other Catholic entities, more appalling and heart-rending to me is the pain and mistreatment experienced by the survivors of child and adult sexual abuse at the hands of those they thought they could trust. As the present leader of the Roman Catholic Church of Syracuse, I cannot apologize enough for the abuse which happened or for any neglect in dealing with it. This is why the final settlement will include commitments meant to strengthen our safe environment protocols to further ensure the past does not repeat itself.

I ask you not to lose sight that what we are doing is the right thing to do! The reason I initiated these proceedings a little over three years ago was so the Diocese of Syracuse could be responsible for reparation in a fair and equitable manner to those individuals who had been harmed through sexual abuse by members of our diocesan family. Together the Catholic family – the diocese, parishes, schools, and other entities – share a role in bringing healing and reconciliation to survivors of abuse and all those affected by the abuse crisis. It is hoped that acknowledgement of the grave breach of trust and the suffering it has brought will help these men and women – our brothers and sisters in Christ – to find some comfort and solace in the midst of the painful cross they carry, and that they do not walk this way alone!

Parishes and other Catholic entities have been invited to contribute to the Victims' Trust – as they have been individually named in lawsuits, placing them at substantial risk of direct liability in State Court actions. The litigation cost, settlements or jury awards would far exceed the resources available. By contributing to the Victims' Trust, parishes and other entities will have their individual claims settled in the same way as the diocese through a "channeling injunction." Thus, all claims will be settled from the same fund.

The one thing I continue to struggle with myself is the "scandal" of it all. Besides the moral depravity of the abuse itself, I grapple also with what the *Merriam-Webster Dictionary* defines as:

*Faith • Hope • Charity*

- 5      a: discredit brought upon religion by unseemly conduct in a religious person.  
       b: conduct that causes or encourages a lapse of faith or of religious obedience in another.

I am most heartily sorry for the lay faithful and clergy – who on their own faith journeys have been so offended and harmed by the breach of trust and detrimental behavior of their co-religionists – and who, too, have had to endure suspicion and ridicule for being a Catholic believer. I can say honestly that my own faith has been shaken and tested by the abuse scandal.

It is for this reason that I have asked that the Orations (Prayers) of all Masses celebrated in observance of the 17<sup>th</sup> Sunday in Ordinary Time (July 29 & 30) be those “For the Forgiveness of Sins” and that Violet/Purple vestments be worn. In our prayer, on this weekend, we ask pardon for sins of commission and omission, as we pray for all victims and survivors of sexual abuse and those who have been scarred mentally, emotionally, and spiritually by these heinous actions. In charity, we must not forget the perpetrators of such harmful behavior and pray for their own healing, conversion, and amendment.

In the Preface of Eucharistic Prayer for Reconciliation #1, the Church prays: “Even now you set before your people a time of grace and reconciliation, and, as they turn back to you in spirit, you grant them hope in Christ Jesus and a desire to be of service to all...” The hope these words contain will be found in the Church’s liturgy for the first Sunday of August (August 5 & 6) dedicated to the Transfiguration of the Lord.

This event takes place in the shadow of the scandal of the cross inviting us to listen to the Father’s beloved Son who seeks to lead us through the valley of the shadow of death to the garden of the Resurrection. For those disciples willing to follow Jesus, it will involve a journey full of ups and downs – yet accompanied by the Good News of Jesus Christ – and words filled with light, comfort, encouragement, hope, forgiveness, mercy, and power! It is in this moment that all of us together can encounter again the power of Jesus’ name for our lives.

I understand that you may have further questions. Accompanying this letter is a **Frequently Asked Questions (FAQ)** document that hopefully will provide you with some answers and clarifications. In the coming days, your pastoral leaders and the Finance Council will meet to discuss your parish’s involvement in the Victims’ Trust Fund.

Let us continue to hold each other in prayer, remaining steadfast in our resolve to help all survivors of abuse with the burden they carry and to build a new Church.

In the Name of Jesus,

A handwritten signature in black ink that reads "Douglas J. Lucia". The signature is written in a cursive, flowing style. A small cross symbol is written to the left of the first letter of the first name.

Most Reverend Douglas J. Lucia  
Bishop of Syracuse

## Frequently Asked Questions

### ROMAN CATHOLIC DIOCESE OF SYRACUSE

## **Chapter 11 Bankruptcy Update** **Frequently Asked Questions**

**Q1. What was announced on July 27, 2023?**

**A1.** The Roman Catholic Diocese of Syracuse and the Official Committee of Unsecured Creditors in our Chapter 11 reorganization have reached an agreement on the contribution to be made by the Catholic Family which includes the Diocese of Syracuse, its parishes and other Catholic entities to the Victims' Trust Fund. Both the Diocesan Finance Council and the College of Consultors have given their assent to this action. The amount of the contribution will be \$100 million.

**Q2. Who would fund the settlement of these claims?**

**A2.** Under the agreement to establish the Victims' Trust, the Catholic Family contribution consists of the Diocese of Syracuse, which will contribute \$50 million. Collectively, parishes will contribute \$45 million. The remaining \$5 million will come from other diocesan entities.

**Q3. How much will the insurance carriers pay toward settlement of claims?**

**A3.** Insurance companies have yet to reach an agreement with the Creditors Committee. As we recently completed our third year of mediation, the assigned mediator in the case did not include insurance carriers in this proposal, as they have yet to agree on coverage issues with the Creditors Committee. The mediator's priority was to reach a settlement with the Diocese and its entities first and then pursue insurers. The agreement does specify that both parties, the Official Committee of Unsecured Creditors and the Catholic Family, will explore a resolution in claims involving insurance.

## Frequently Asked Questions

**Q4. Why weren't insurance companies included in this agreement?**

**A4.** Spending additional time in mediation would only add to the mounting legal expenses and possibly expose the Diocese and its entities to further legal action. To date, the Diocese has paid nearly \$11 million in legal expenses.

**Q5. Why did the Diocese file for Reorganization under Chapter 11?**

**A5.** The Diocese believed that filing Chapter 11 was the fairest approach for the survivors and most viable for the Diocese to continue the work of the Church. As we have seen in other dioceses, long term litigation costs and settlements or jury awards to those filing first would have far exceeded the resources which the Diocese has or could obtain to settle or litigate these claims and bring relief to victims/survivors. By filing for reorganization under Chapter 11, it will ensure that all victims/survivors will receive a settlement.

**Q6. If it was the Diocese who filed Chapter 11, why are parishes and related Catholic entities part of the settlement?**

**A6.** Parishes were not part of the Chapter 11 filing in June 2020 but were invited to participate in contributions to the Victims' Trust. 81 parishes and 21 other diocesan entities have claims made against them in individual lawsuits and bear substantial risk of direct liability to claimants in individual court actions. By contributing to the Victims' Trust, each parish and related entity will now be protected for claims that may have occurred up to June 19, 2020 through what is known as a channeling injunction.

**Q7. My parish did not have any claims against it. Why should we and other similar entities have to participate?**

**A7.** As a Catholic family, it is our moral obligation to provide reparation and share a role in bringing healing and reconciliation to the survivors. As in 1 Corinthians 12:26, if one part of *the body* suffers, all the parts suffer with it; if a part is honored, all the parts rejoice with it. Additionally, by contributing, each entity is protected from any claims of abuse that may have occurred up to June 19, 2020 that may be filed if another legal window is opened in NYS. Sixteen states are already looking to entirely do away with the civil statute of limitations for sexual abuse.

**Q8. Why is the Diocese of Rochester Catholic family contribution lower than the Diocese of Syracuse?**

**A8.** The Diocese of Rochester who settled for \$55 million had a unique situation with one of their major insurers. The insurance company denied all coverage of all CVA claims. This provided a strategy for their Creditors Committee in which the Diocese of Rochester agreed to 38 stipulated judgements in amounts up to \$7.5 million per stipulation in cases where the coverage was denied. If the insurance company loses on its defense coverage, it could be required to pay \$285 million just for those claims. This arrangement resulted in a lower

## Frequently Asked Questions

contribution from the Rochester Catholic family. The Diocese of Syracuse does not have any insurer who denied coverage of claims. Instead, insurers issued a reservation of rights.

**Q9. Will this end the actions and costs associated with this case?**

**A9.** No, but it does end the process for parishes and other Catholic entities. The Diocese will continue working with the Creditors Committee and the mediator to pursue the insurance contribution.

**Q10. What is being done to help ensure this doesn't happen again?**

**A10.** The Diocese of Syracuse has a comprehensive safe environment program consisting of the Diocesan Child and Youth Protection Policy, the Diocesan Code of Conduct, criminal background checks and required child sexual abuse prevention training for clergy, religious, employees and those volunteers whose ministry brings them in direct contact with minors and vulnerable adults. Take a moment and visit the diocesan website at [www.syrdio.org](http://www.syrdio.org) and click on Safe Environment to review all of its components.

**Q11. What impact will this agreement have on Hope Appeal funds?**

**A11.** None. Hope Appeal contributions can only be used for the ministries supported by the Hope Appeal. Hope Appeal contributions are considered donor restricted funds. Only unrestricted funds may be used to form the Victims' Trust. The Hope Appeal will kick off the weekend of September 9-10, 2023.

**Q12. Will the Diocese close any parishes or sell parish property as a result of this Settlement?**

**A12.** The Diocese has been in a process of pastoral planning for over two decades. Parishes have linked, merged or closed due to the declining number of clergy, changing demographics and participation. The number of unused or underused buildings has increased. Parishes may choose to sell property that is not being used as a matter of sound fiscal management.

**Q13. How do I ensure that my gift and/or planned gift to the Diocese is not used to pay settlements?**

**A13.** Restricted gifts can only be used for the purpose for which they were given. Speak to your attorney, estate planner or the Diocesan Foundation Office about how to make a restricted gift to the Diocese.

## Frequently Asked Questions

**Q14. Will the Diocese need to reduce its workforce as a result of this settlement?**

**A14.** It is not our desire nor in our current plan to reduce our workforce. Ongoing financial realities, which were also impacted by the Coronavirus pandemic and financial market downturn, have required some personnel changes while still trying to maintain the same level of support to our parishes and related Catholic entities. These challenges and efforts will continue.

**Q15. When will the contributions need to be paid?**

**A.15** It is anticipated that the earliest the contributions will need to be paid is March 2024.

**Q16. What happens next?**

**A16.** This is a critical step toward moving towards emerging with a plan for Reorganization. The Official Committee of Unsecured Creditors and the Diocese will continue to pursue a resolution in claims involving the insurance companies.
