About AWR Group

AW Rostamani Group is a multi-sector, multi-market group and one of the most progressive companies in the Middle East. With a legacy spanning over seven decades, AWR Group employs 3,000 individuals, serving a diverse customer base of over 155,000 individuals and 24,000 businesses. Its core verticals include automotive, real estate, logistics, lifestyle, lighting solutions, travel, agritech, and sustainable packaging.

More than just serving the present, AWR Group embraces generation next. It builds purposeful businesses to enrich the lives of every generation, striving to make a meaningful and enduring impact on business, people, and the world. Built on a bedrock of strong founding values, AWR Group continues to evolve with the times and ahead of them, at work for a planet that prospers.

Our Verticals

- **Automotive:** With a vast network of showrooms and service centers, AWR Automotive is a leading automotive dealer for renowned brands like Nissan, INFINITI, and Renault, committed to a future of intelligent and sustainable mobility. The company is ushering in electric solutions through partnerships with brands like Zeekr, Smart, and Chery while continuing to develop its flexible mobility offerings with its home-grown brands, Subscribe Me and Shift.
- **Real Estate:** With over 42 years of experience, AWR Properties manages over 4.4 million square feet of residential, commercial, and hospitality assets. The company builds and manages communities where business and leisure go hand-in-hand.
- **Logistics:** AWR Logistics, a fully integrated logistics platform, provides tailor-made solutions for sea and air freight, land transport, and auto logistics – keeping goods seamlessly on the move.
- **Lifestyle:** AWR Lifestyle licenses and distributes captivating, world-class fashion and lifestyle brands, including American Rag Cie and Maison7. The company brings global style and design to homes across the region.
- **Lighting Solutions:** Frater provides state-of-the-art lighting solutions and is the only accredited lighting laboratory in the UAE, serving commercial, industrial, and residential clients.
- **Travel:** BCD Travel, a venture of AWR Group, simplifies corporate travel. The company enhances safety, productivity, and well-being for business travellers while streamlining processes and generating cost savings for organisations.
- **Agritech:** Armela Farms, a venture of AWR Group, is redefining the local food supply with its hydroponic growing technology, sustainably growing fresh produce using 80% less water.
- **Packaging:** Sineo Packaging, a venture of AWR Group, is reshaping the packaging market with sustainable, affordable, and high-quality disposable packaging solutions.

Commitment to Sustainability

For the past five years, AWR Group has embarked on an ambitious CSR programme, the *"Enriching Communities"* programme, which has had an immense impact. To further deliver on its purpose, the Group is embarking on an organisation-wide transformational journey through its new ESG framework. This framework aligns with the Net Zero aspirations of the UAE and helps meet the UN Sustainable Development Goals.

Outlook

Alongside its people and partners, AWR Group is dedicated to driving sustainable growth while ushering in the future. The Group is committed to fostering a purposeful culture that empowers individuals to achieve their best. It continuously embraces next-generation solutions across its businesses – all while deepening its commitment to a sustainable future, fair business practices, and a planet that thrives for generations to come.
