

Permission to be on Facebook Live

Dear Parents/Guardian,

During the Covid Pandemic we found it necessary to cancel large gatherings, such as the school programs, because we were concerned for the safety of our staff and families. As a result, many of our school's extended family missed out on various milestones. This year, in the event that we cannot gather corporately due to the pandemic or other limitations, we will post our programs LIVE on our Facebook page (Faith Outreach Education Center). Whether or not we are able to gather will be determined at the discretion of the school's administration. Please complete the following statement of consent indicating whether your child may participate in the LIVE Presentation if going LIVE is deemed the best course of action by the Administration of Faith Outreach Education Center. When you have completed the form, please return it to the office. Without this form, we are assuming that we do not have permission for your child to be in a LIVE Facebook presentation.

Thank you,

FOEC Administration
