A Timely Word from Our Founder

We have arrived to our hour in prophecy. Biblical prophets prophesied of this time in history. Bible students know of the imminent return of Jesus for His church.

We are on the verge of a last great revival before a holocaust of unknown proportions, never witnessed before, covers the whole earth. We of the ordination have no fear of the things that are to come upon this world.

While those of unbelief are shrouded in fear, shackled by evil spirits, and march toward destruction, we of the election feel ourselves anointed as never before with Holy Spirit Baptism.

We are of the original seed, and just as surely as the original seed did not fall, we will not! We are not sons of Old Testament prophets or kings. We are sons and recipients of the new.

No excuses, no arguments, no escape! We are the Chosen of God. We have caught the flame of eternity. We grab the torch and let our light shine!

We heed the thundering voice of the Eternal One, "Go ye into all the world and preach the gospel, heal the sick, cast out devils, speak with new tongues."

— Brother H. Richard Hall

Who but God knows what our future holds? As we prepare for Convention–Campmeeting, our greatest preparation is on our knees, crying out to God for a mighty move of the Holy Ghost and fire.

Ministers and laity—do not miss this gathering. Come ready to receive and ready to give. If you feel the call of God on your life, this is the time to step fully into His anointing. Make plans now to be in Cleveland, Tennessee, and be in every service you can. We need you. We need your anointing.

Destinies will be awakened. Anointings will be released. Spiritual gifts will begin to flow. Those who surrender to God will see miracles, prophecies, signs, and wonders in their ministries. This is a time of divine impartation. Mighty men and women of God will be ministering—and you are needed to minister as well. Many will be seeking God for direction. You cannot miss this.

I can feel the Holy Ghost even now as I walk through the sanctuary. I am expecting a great quickening in my spirit, and I believe you will experience the move of God you’ve been longing for. Do not miss this powerful visitation.

THE GOD ABOVE ALL GODS—PART 2 PAT HAYES SOLOMON & BILQUIS IN THEOLOGICAL CONVERSATION

“And when she was come to Solomon, she communed with him of all that was in her heart. And Solomon told her all her questions. There was not anything hid from the king, which he told her not” (1 Kings 10:2-3).

“This is a fearful thing, O King Solomon, to speak of the God of all gods. Even our Priests tell of the God to Whom all lesser gods must respond. ‘The Nameless One,’ they call Him, ‘He-Who-May-Not-Be-Known.’ It is grand to speak of Him, but also fearsome. Only Priests should utter such things, and only in whispers in sacred places. Not in casual conversation, as now, even between monarchs. Perhaps we should be afraid. I fear you and your people may anger the Unknown God when you ascribe to Him one name, your ‘Jehovah.’ Your Priests speak too glibly, too openly, of things beyond the knowledge of men.”

“No, my dear Queen Bilquis. He wishes for us to speak of Him. We should rather fear to not speak. He made Himself known to our father Abraham, and revealed Himself to our Prophet Moses, who wrote for us His Laws. He told how we should speak of Him daily to our children and to our children’s children, how we should speak of Him in streets and in fields, both in rising up and in lying down, going out and coming in.

Due to space limitations, we are unable to include Bro. Pat’s article in its entirety. If you would like a full copy, please feel free to call 423-472-7271 or email uccmadw@gmail.com.

THREE TRUTHS I’VE LEARNED

1. God is ruling and reigning in compassion, justice, and righteousness. Although I know God has never done wrong, some may think He has. With all the painful things in our world it could be easy to feel that God is negligent or failing. God does not automatically control every facet of every life. He has given men free choice. With free choice, we can choose good or evil. Our choices and the choices of others can bring calamity.
2. Forgiving the wrongs of others is a must if we are to live free. Most of us will experience hurt while living this life. When this happens, forgiveness (release) is key for our continued growth. Forgiving someone does not mean that they are right; neither does it mean that God lets it slide. Failure to forgive others will open us up to many problems emotionally (depression), physically (sickness), and spiritually (inability to comprehend truth). When I forgive, I am releasing myself.
3. When God forgives, He forgets (failure isn’t final). If we fail, we must believe that we can be forgiven AND restored. All sin confessed and repented of will be forgiven. When God forgives us we MUST forgive ourselves. If God has truly forgiven me and I won’t forgive myself, then I am saying that I am wiser than God who made the choice to forgive me. Anything you rehearse, you keep alive; anything you keep alive, you empower!

The Load Is Heavy

Our hearts cry out for this generation. We must win the lost at any cost.

The financial load is on me. I really do carry a heavy load. Your offerings and gifts you place in our hands are used in this ministry.

We are in a battle for this end-time generation. Our burdens are heavy, the sacrifice untold and the cost is great. We dare not and we cannot fail now. The trust of God and the hopes of all within our reach are upon us. We cannot afford to hold back anything in this great challenge. We must sacrifice, give, work, preach and pray. We must give our time, our strength and our abilities.

We need the prayerful consideration and financial assistance of hundreds of our friends. I ask you to stand with us and support this ministry of God.

Trust God with what you have, and He will trust you with what He has. He certainly has more to give than you. If you give to God and to God's work, God will definitely reward you.

Will you help us get the work done for God?

Please write us a letter and let us know you are with us in reaching the lost.

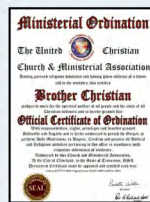

Trust us with your tithes and offerings that will be used for the glory of God.

We need your help. We cannot carry this load by ourselves. I know after you pray about this you will do as the Lord leads you.

If you cannot send an offering, please call, write, or email us today and let us know you are standing with us in prayer.

LET'S AGREE TOGETHER!

Let's stand in agreement together! Prayer truly works—Jesus proves it. Scripture says He is continually interceding for us (Hebrews 7:25).

Though some dismiss answered prayer as coincidence, experience shows that the more God's people pray, the more such "coincidences" occur. The Word of God affirms that He answers prayer: "ye have not because ye ask not" (James 4:3). Jesus instructed us to ask, seek, and knock, promising that we would receive. He further declared that when we pray and believe, we shall have what we ask (Mark 11:24).

United Christian has decades of stories where God turned situations around— healing, salvation, provision, and so much more. This ministry began with prayer, and after more than 70 years, we still believe prayer changes everything.

Jesus also said when two or more people agree in prayer, it shall be done for them of my Father which is in heaven (Matthew 18:19). When we join our faith together, we see God move in powerful ways.

If you need prayer, we're here. Send us your request, and our team will believe with you for the answer.
