

## L & LD Series

Enhance safety and productivity in your industrial or trade environment with our Fixed Industrial Steps (Single or Double), designed for heavy-duty use and built to provide a stable, secure platform for all your access needs.

### Key Benefits

- **Heavy-Duty Construction:** Ideal for industrial and trade use, ensuring durability and reliability.
- **UK Quality:** Manufactured in the UK using industrial-strength aluminium for superior performance.
- **Secure Platform:** Features a large 460x410mm platform and non-slip step treads for safe and stable footing.
- **Green Manufacturing:** Produced with Recycled Low-Carbon Aluminium 4.0 treads with a reduced environmental footprint.
- **Customisable Options:** Available in single or double-sided designs with optional handrails and platform guardrails.
- **Maximum Load Capacity:** 150kg - Making it suitable for demanding tasks.

Available in 10 sizes
