

LP Series

The LytePod Podium Steps offer exceptional stability and convenience for low-level access tasks. UK-made with durable aluminium, these podium steps are certified to BS8620, ensuring maximum safety while being easy to transport and store.

Key Benefits

- **Adjustable Platform Heights:** Two platform heights for greater flexibility
- **360° Access:** Secure working area with easy access via saloon gates.
- **Safety First:** Anti-surf features with non-removable stabilisers and stoppers for added security.
- **Compact & Portable:** Foldable design with rear wheels for easy transport and compact storage.
- **Repairable Design:** Modular construction allows for easy maintenance and extended product lifespan.
- **Maximum Load Capacity:** 150kg for demanding tasks.

Available in 3 sizes

Specifications

Code	Platform Height (Position 1) mm	Approx. Working Height (Position 1) mm	Platform Height (Position 2) mm	Approx. Working Height (Position 2) mm	Overall Height mm	Width mm	Weight kg
LP10	725	2475	975	2725	2015	670	37.0
LP12	975	2725	1225	2975	2265	670	40.0
LP15	1225	2975	1475	3225	2515	670	43.0

*Where applicable, the Approx. Working Height is calculated by adding 1750mm (5'8") to the Max Standing Height.
