

NBSWPM Series

The MagnaStep Aluminium WideStep is the perfect choice for professionals in construction, maintenance, and industrial work, providing the ultimate combination of stability, sustainability, durability, and greater working heights.

Key Benefits

- **Extra-Wide Workspace:** 400x600mm non-slip platform, and extra-wide treads for stability during prolonged use.
- **Enhanced Safety:** Handrails and folding safety gate for added security and 360° access.
- **Magnetic Tool Tray:** Keeps tools and equipment within easy reach for improved productivity.
- **Green Aluminium Treads:** Featuring treads made from low-carbon recycled aluminium 4.0.
- **Repairable Design:** Bolted steps allow for easy maintenance and extended product lifespan.
- **Greater Working Height:** Generous 295mm tread pitch for enhanced reach and efficiency.
- **Portable Design:** Rear wheels for easy transport.
- **Durability Tested:** Certified to EN131, ensuring long-lasting performance.
- **Maximum Load Capacity:** 150kg, ideal for industrial and trade applications.

Available in 6 sizes

Specifications

Code	No. of Treads	Weight kg	Closed Height mm	Open Height mm	Platform Height mm	Approx. Working Height mm*	Magnetic Tool Tray Included	Handrail & Guardrail Included
NBSWP2M	2	11.0	1610	1460	425	2175	Yes	Yes
NBSWP3M	3	11.5	1905	1720	697	2447	Yes	Yes
