

NYFWPM Series

Ensure safe and efficient work in electrical environments with the MagnaStep Glassfibre WideStep. UK-made and certified to EN-131 Professional, it is designed for industrial and trade use.

Key Benefits

- **Non-Conductive:** Glassfibre stiles protect against electrical hazards.
- **Extra-Wide Workspace:** 400x600mm non-slip platform, and extra-wide treads for stability during prolonged use.
- **Enhanced Safety:** Handrails, knee-rail and folding safety gate for added security allowing 360° access.
- **Magnetic Tool Tray:** Keeps tools and equipment within easy reach for improved productivity.
- **Green Aluminium Treads:** Featuring treads made from low-carbon recycled aluminium 4.0.
- **Repairable Design:** Bolted steps allow for easy maintenance and extended product lifespan.
- **Greater Working Height:** Generous 295mm tread pitch for enhanced reach and efficiency.
- **Portable Design:** Rear wheels ensure easy transport.
- **Durability Tested:** Certified to EN131, ensuring long-lasting performance.
- **Maximum Load Capacity:** 150kg, ideal for industrial and trade applications.

Available in 6 sizes

Specifications

Code	No. of Treads	Weight kg	Closed Height mm	Open Height mm	Platform Height mm	Approx. Working Height mm*	Magnetic Tool Tray Included	Handrail & Guardrail Included
NYFWP2M	2	12.0	1610	1460	425	2175	Yes	Yes
NYFWP3M	3	13.0	1905	1720	697	2447	Yes	Yes
